## Dear Reader

Every dollar of revenue which is received by The Guide for subscriptions or advertising is immediately invested with a view to improving the quality of your paper. Consequently you will be repaid directly for anything you may do to increase our revenue in these directions. There is one way in which you can help us very materially to increase our advertising revenue, and that is by buying your farm and dairy machinery and other farm and household supplies as far as possible from the firms who are advertising in The Guide. We make every effort to see that none but absolutely reliable concerns are permitted to advertise in The Guide, and the goods offered are as a rule of the very highest quality. You can make no mistake, therefore, in buying from the firms whose advertisements appear in our columns, and at the same time you will help to build up a big volume of advertising for your own paper.—THE GRAIN GROWERS' GUIDE, WINNIPEG.
