GOD SAVE THE KING!

The heart of every loyal subject of King George rejoices that the Coronation of His Majesty and his gracious Queen is taking place under such happy auspices: when the Empire is at peace with the world and all its people prosperous. The British Crown is the emblem, and the King the representative, of the free self-governing British people throughout the world, and in being loyal to our King we are loyal to ourselves and to the whole British people. The people of Western Canada wish King George a long and happy reign.
