The following marriage notice appeared in a North Dakota newspaper: Married at Flintstone by Rev. Mr. Whitestone, Nohepa, Windstone and Miss Wilhelmina Sandstone, both of Limestone. This is a pretty rocky wedding and there's bound to be a blasing of these stoney hearts before many babies appear on the conubial beach. The griddstone of domestic infidelity will sharpen the axe of jealousy and discord, and sooner or later one or the other of these hard heads will peacefully rest beneath a tombstone. Then look out for brinsone.

Stick Out YOUR TONGUE!

What for? Because it may save your life! How? It is the barometer that indicates the state of your health by its shape, coatings and color. For example? Well, a pointed tongue indicates irritation and disorder in the stomach and bowels. The full broad tongue shows want of proper digestive action. The dry, pinched tongue is the tongue of acute disease. The fissure tongue proves inflammatory action of the kidneys. A dry tongue is evidence that the stomach and intestines cannot do much digestive work. Coating of the tongue is the result of immoderate eating and drinking. The Liver is deranged. The broad, pallid tongue shows a want of alkaline elements in the blood. It is a danger signal. The deep red tongue, generally dry, shows acid.

Dryness always indicates nervousness, and diseases of the nerve centres.

Extreme moisture shows the reverse.

Be your own doctor. Examine your tongue. It will show you whether or not you are in condition to stand spring weather changes.

If you are not almost any disease may strike you down. Get in condition at once by using the latest and best spring medicine

TEST THE KIDNEYS

They Are the Great Feeders of Our Bodies—the Purity of the Blood is Dependent on Their Cleansing Powers.

Dr. Chase's Kidney-Liver Pills are the Only Combined Kidney and Liver Pill—What They Have Accomplished is But a Guarantee of What They Will Do.

There's a time to all, old and young, man or woman, when poor health brings trouble, anxiety, and burdens hard to stand up under, and one's efforts to rid himself or herself seem only to be baffled at every turn, and we are prone to grow discouraged. That is not the time to give up—but the time for action, the time to seek out the seat of the trouble, and act as your best judgment and the experience of others will help you, guarding against mistakes in the treatment adopted for your particular ailment.

READ WHAT AMOS CARTER,

MELBOURNE, ONT., SAYS:

Spasms Lasted for Hours at a Time—Left Great Aching and Soreness—Dr. Chase's Kidney-Liver Pills Proved His Deliverer.

I was for over six months troubled with very sharp pains in the region of my kidneys, the spasms lasted for half an hour at a time, and left me with great aching, soreness and pain. I tried many remedies, but they did me no good. I commenced taking Dr. Chase's Kidney-Liver Pills according to directions. I had not much faith that they would cure me, but after taking one box I noticed a change for the better. It may seem incredible, but after taking the second box the pains all left me entirely, and I have not had them since.—Amos Carter, Melbourne.

A Boy's Life Saved

"One day my little boy, aged 7, got a fall and hurt his knee. Inflammation of the knee joint set in and the decay of the bone of the leg rapidly followed. Doctors removed over a hundred pieces of decayed bone, but the process of decomposition continued. All attempts to stop it failed. The boy had but a few days' life before him according to all human expectations. Mr. Denham, druggist, Petrolia, advised me to try Scott's Sarsaparilla, I did so, and not only saved but completely cured my boy."—JOSEPH DUNCAN, farmer, Lambton County, Ont.
