

Supported By a Supine, Stand-pat Government

THE MAIL AND ADVOCATE, ST. JOHN'S, NEWFOUNDLAND, MARCH 15, 1915-3.

Ten Thousand Electors Ask Kean's Arrest Charging Him With Criminal Negligence.

FLAT ISLD., B.B. To His Excellency the Governor in Council:—

The petitions of the undersigned residents of Flat isld. and electors of the electoral district of Bonavista Bay, humbly sheweth that on March 31st and April 1st last, seventy-eight sealers of the crew of the sealing steamer "Newfoundland" died on the icefloes from exposure, and that in the opinion of your petitioners, Captain A. Kean, Master of the "Stephano," was guilty of criminal negligence in relation to the said men, wherefore your petitioners humbly pray that Your Excellency be pleased to test before the Courts the liability or otherwise of Captain Kean. And as in duty bound they will ever pray,
