Mysterious Robberies Baffle Police of the Town.

Simcoe, Nov. 17.—(From our own correspondent.)—The returns of the Houghton township elections came in yesterday. W. J. Maguire, of Glen Meyer, defeated his neighbor, John Hagen for the reevship by 14 votes, and the empty seat which the latter left in the council was won by George Whittell by two votes over J. W. Hetherington.

"Facing the Music."—The Waterford Dramatic Society played "Facing the Music" last night at the Parish Hall, under the auspices of the L.O.D.E. There was fairly good turn out, though the evening was stormy and the troupe from up the line, gave an excellent amateur offering.

Mysterious Robbery.—Rev. Jno. Robertson, of Port Dover Interim-moderator of St. Paul's here, was up on Monday evening presiding at a meeting of session held in the vestry of the church, and while there left his overcoat in the schoolroom. When the meeting was over and the Moderator was about to leave the church, he found that \$30 had been taken from a pocket of the coat. Other monies and a couple of bicycles left in the environs of St. Paul's have recently similarly disappeared. The police are baffled in this and kindred matters from the fact that so far as the children of the town are concerned, there is practically no private property recognized as such, and the presence of boys and youths where they should not be passes without rousing suspicion.

One of the teachers at the public school, gave her class some admonition and advice regarding the practice in vogue of marking fences and walls with school chalk.

1st. Col. Morris of the 215th Brant-Norfolk-Haldimand Battalion, was in town again yesterday and accompanied by members of the civilian relief cutting leaves called on Major Jackson with a request that he accept the command of a Norfolk company to be recruited here, and for the present quartered in Simcoe. Major Jackson declined to accept the responsibility at the moment, and the matter stands there. Interviewed last evening, Major Jackson pointed out that a younger brother, who had dropped his college work and turned in to office work when the war broke out, had been enlisted in the 1st, and since the latter's resignation, signed with a Toronto unit, and the business requires his presence at home.

Yesterday's snow storm interfered with and temporarily stopped considerable building construction in progress.
