A New Business

Last week Mr. R. G. Latimer turned out his first baking of bread, cakes and buns at his bakery on Main street, and the goods found a ready sale. The quality was excellent and the character of the oven is such as assures the output being of a uniform grade. The oven is a "Dempster," heated with coal, and has a pyrometer attached by which the degree of heat can be accurately determined. Everything about the shop is neat and scrupulously clean. An ice cream parlor is being conducted this season and it is being liberally patronized. The adv't of this new business house appears in the Reporter next week.

Erroneous Report

In Athens as well as outside many wild stories gain currency respecting the nature and extent of the disease epidemic here. Here is a sample story from the county town:—
"The Board of Health has ordered general vaccination of the villagers, including the pupils of the public and high schools. This was decided upon at a joint meeting of the Board of Health township and village councils and boards of trustees, held last [Friday] night."

This is an entirely erroneous statement. No such decision was made by any one of these organizations. Athens has had only two cases where the disease was at all severe. One of these was able to resume business about three weeks ago; the illness of the other continues, but he has practically recovered from his original sickness and is now suffering from an attack of pneumonia. In the five houses placarded only this patient is at all sick; the others are apparently as well as usual.

Twenty Years Ago

We sometimes hear complaints of the high price of the necessities of life and references made to the "good old days" when this was a cheap country in which to live. We take the following quotations from the Brockville Monitor of April 8, 1887, by which it will be seen that the difference is not so great as many seem to think:—

Cheese	0.134
Butter in tubs	0.20
Butter in rolls	0.24
Mutton per lb.	0.08
Beef per lb.	0.05
Pork per cwt.	7.00
Ham	0.11
Lamb	0.08
Veal	0.07
Eggs per doz.	0.18
Potatoes	0.50
Lard	0.11
Chickens per pair	0.50

Tired Mothers

It's hard work to take care of children and to cook, sweep, wash, sew and mend besides.
It makes a shop of the house—a shop, too, where sixteen hours make a day and yet there is much working overtime.
Hood's Sarsaparilla helps tired mothers in many ways—it refreshes the blood, improves the appetite, and assures restful sleep.

FARMS FOR SALE

THE undersigned hereby ask for tenders for a farm of 80 acres, being parts of lots nine in the first and second concession of the Township of Elizabethtown, situated just north of the Brockville Fair Grounds, also for farm of 205 acres in the Township of Augusta at Stone's Corner, being parts of lots thirty and thirty-one in the second concession of Augusta. ST. REGIS LUMBAGO CURE
AN INDIAN REMEDY.

Guaranteed to Cure Lame Back or money refunded!

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.
Read the following testimonial from a man you all know:

Mr. W. A. Singleton, Crosby, Ont.

Dear Sir—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Regis Lumbago cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.

I may say I have been troubled with lame back for the last ten years, and tried several other patent medicines but without results. I can heartily recommend it to any troubled with lame back, and I feel safe in saying that it's the cheapest medicine on the market.

Yours truly,
JAMES MCGUE

If your dealer does not keep this medicine kindly ask him to order same for you as any sized order will be filled promptly.

First order, right prop!

Yours truly,

A Few Facts for Women

About Dr. Hugo's Health Tablets

These tablets are the prescription of a distinguished specialist in women's diseases. They are compounded for the special needs of women alone. They embody the results of the very latest medical discoveries. They contain ingredients recently discovered that no other remedy contains. They are a compound remedy, that is, they contain something for every organ of the female system.

They are purely vegetable, and unlike the liquid preparations contain neither alcohol nor opium.

There are six dozen tablets in one box, enough for an extended treatment.

They Make Healthy Women.

Don't Use Drug Cures for Headache

They Hurt You. Use Zutoo.

Don't think because the drug cures for headache do not make your heart palpitate, dull your nerves or upset your stomach just when you take them, that they are not hurting you, for they are.

The magazine "Health" speaks truly when it says: "Every dose of such drugs is at the expense of vitality, and sooner or later the penalty for outraging nature will be exacted."

You can avoid this penalty and cure your headaches just as quickly by taking the vegetable cure, Zutoo.

It is Harmless as Soda.

PATENTS PROMPTLY SECURED

Write for our interesting book "Inventor's Help" and How you are swindled. Send us a rough sketch or model of your invention or improvement and we will tell you free our opinion as to whether it is probably patentable. We make a specialty of applications rejected in other hands. Highest references furnished.
