SUCCESSFUL SOCIAL

The social evening which was given at the residence of Mrs. (Dr.) Duncan, King street, last evening, was grand success in every way. The evening was held under the auspices of the Ladies of the Public General Hospital and a silver collection was charged as an admission fee to apply towards the maintenance of this worthy institution.

There was a good crowd present last evening and a most enjoyable time was spent by those who attended. Refreshments were served and an excellent musical program was rendered.

The program consisted of vocal solos by Mrs. Milton Bogart, Miss Lucy McKellar, Miss Ada Ross, and Jasper Wilson, and W. Brackin; an instrumental solo by Miss M. Brackin; a vocal duet by Misses Somerville and Ross, and a quartet by Misses H. Smith and V. Heyward, and Messrs. Wilfrid and John Smith. The solos by Mrs. Bogart and Misses McKellar and Ross were especially enjoyable. Mrs. Bogart sang "O Promise Me" from the opera Robin Hood. Jasper Wilson also sang well. He is a promising young tenor and gives evidence of soon becoming one of Chatham's best singers.

The Ladies deserve great credit for the success of their evening. Twenty-six dollars was realized, which was highly satisfactory. The following were some of the ladies who had last evening's entertainment on hand: Refreshment committee—Messdames W. A. Hadley, Jos. Hadley, Seane, Kingmill, G. Phillimore, Pritchard, H. D. Smith, Bogart and W. Merrett.

Reception committee—Messdames Oldershaw, Weir, Cobbledeek, Gardiner, Holmes, Stephenson and G. B. Merrett.

Assistants—Misses Susie Taylor, Aggie Phillimore and Ethel Ball.

Musical committee—Miss McKeeough and Mrs. Seane.

Miss McKeeough, treasurer of the society, and Mrs. Landon, assistant, officiated at the door.

The Ladies are very grateful to those who took part in the musical part of the program, and also to Mrs. Duncan for the freedom of her splendid home.

EVANGELISTIC SERVICES

Last night's meeting in Victoria Avenue Church was well attended and full of interest. Mr. McHardy is proving himself to be a preacher of unusual power. He took for his text Luke 15, 10. "Likewise I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth."

"I am not a spiritualist," said the preacher, "but I believe that heavenly beings take an interest in the affairs of earth. The Bible teaches us that the angels are moved with emotion when a sinner turns from the error of his ways. This joy is a manifestation of interest. No one has joy over the success of an event in which he is not interested. Our joy at the repentance of sinners will be in proportion to the interest we take in their conversion. Many to-day are like the Pharisees of Christ's day; their chief work is criticism of what others are trying to do to save men. Mr. McHardy is thorough in his work. He believes in the scriptural doctrine of genuine repentance as the first step toward God. He has no use for sham repentance or for the faith that does not involve repentance. The sermon closed with a strong appeal to the unconvinced to give joy to their friends and to God, Father, Son and Spirit and to the angels of God by turning to God in true repentance.

In the song service, Mr. McHardy introduced some new and beautiful hymns. His book is a fine collection of gospel songs. During the evening, Miss Jackson sang with effect, "My Mother's Prayer."

The meeting to-night promises to be one of great interest. Come and bring a friend.

MUCH PLEASED

Chatham Theatre-Goers Delighted With the Class of Attractions now being secured—Last night's Production.

The large houses which are greeting the performances at the Grand Opera are certainly a vindication of the wisdom of Manager Brisco's decision to bring a series of high-class shows to Chatham during the coming season. Last night a crowded and enthusiastic audience witnessed the production of George Klint's comedy-drama, "On the Bridge at Midnight." One special feature of the production was the splendid scenic effects of the bridge scene. The open bridge with the steamer passing through was very realistic and one of the best scenic effects ever seen in Chatham.

The production throughout was most praiseworthy. The company is a good one and all the parts were splendidly taken. Mr. Klint's personification of "German" was magnificent and brought him repeated applause.

Mr. Brisco is to be heartily congratulated on the splendid character of the production he is securing.

There will be a meeting of the Liberal-Conservatives of No. 5 Ward to-night at 8 o'clock in Mrs. Ingalls' store, St. Clair street.

NEW MARKET FOR CHATHAM

City Council Decided to Go Ahead with this Laudable Enterprise at Once.

Ald. McCoig Entertains His Colleagues—An Enjoyable Evening Spent in Social Intercourse.

Chatham is at last to have a good, substantial and permanent market building.

Architects are now at work preparing plans and specifications and an estimate of the cost will be prepared at once to enable the people to vote upon the enterprise at the January elections.

Ald. Edmondson and his colleagues are to be heartily congratulated on getting this matter in good shape. That the people will overwhelmingly endorse the project there is no doubt. There is nothing the city needs more than a good market building.

Ald. Piggott also submitted a good proposition in the securing of an ice-crusher to prevent a repetition of last spring's disasters. It will be looked into.

At the conclusion of the meeting, by kind invitation of Ald. and Mrs. McCoig, the Council and press representatives adjourned to their home on Cross street, where they were royally entertained. After a delightful repast had been served, a very pleasant evening was spent in social intercourse and the happy gathering broke up with many grateful and appreciative expressions to the genial host and hostess.

There were present, Mayor McKeeough and Ald. Scullard, Mounteer, McCoig, Westman, Edmondson, Martin, Marshall, Piggott and Tye.

O. L. Lewis asked for relief from dog tax.

Ald. McCoig also brought up the name of another resident who also asked for relief.

Both petitions were granted.

Charles Mount complained of his high assessment on a lot adjoining the Klondyke Hotel. He asked to have a house on the lot but he had it removed. The matter was referred to the Finance committee.

Ald. Marshall presented a number of accounts which were passed by the Board of Health at their meeting yesterday afternoon. They were all in reference to the isolation hospital.

Mayor McKeeough explained that the accounts were for things which it was necessary for the city to furnish.

The accounts were passed. A communication was read from Clerk Robinson, of Raleigh, in reference to the Mud and Indian Creek drain. They asked for the return of money paid to the city of Chatham. It was referred to the Finance committee.

The contract of Blight & Fielder for granite for walks for 1904 was received. The guarantee had never been accepted. The matter was referred to the Finance committee to report at the next meeting.

John R. McKinley asked permission to sell a lot in the Maple Leaf Cemetery. The lot was bought some time ago and never used.

Ald. Mounter moved that if a certificate from the caretaker, that no bodies are in the lot, be obtained, the request be granted. Carried.

Mrs. Wm. Carlyle asked for a refund on a grave in the Maple Leaf Cemetery. The body which was deposited there has been removed from the lot. The request was granted.

A similar request was received from Geo. Tyndall, and this was also granted.

Arthur Bedford and Fred Farley asked permission to cut and trim trees. Referred to the Chief of Police.

Several local improvement estimates were passed.

Chas. Morrell, poundkeeper, North Chatham, asked the Council to pay an account of \$8.

Not long ago Mr. Morrell impounded a mare. No one claimed the mare and finally it was put up for sale by auction. There were three bidders, but all that could be got was \$1, and so the highest bidder got her for a dollar. Mr. Morrell now brings in his account—Fees \$1, feed \$6, advertising \$2, total \$9. Amount got for the mare \$1, balance due Morrell \$8.

Ald. Piggott who got the horse, it was decided that under the circumstances the account should be paid. It is a very exceptional case.

The latter day saints asked for an electric light near the entrance to their church on the corner of James and Head streets. The communication concluded with, "Let your light so shine that we may see your good works. Referred to the Property committee.

They will likely get the light at the first of the year.

Ald. Martin then brought up the matter of the expenses of the aldermanic delegates to Woodstock. He paid the way so they that the aldermen were prepared to pass a great big account.

"Your honor," said Ald. Martin, in his own smooth tones, "Our bill is, I am afraid, like that of Sir John Falstaff, who, after dining one day, found that the bill was full of big items of brandy, whiskey, etc., and 50c

for bread. Our meals were 50 cents each, as we had the very best, and the balance is for cab hire, amounting to \$8.52 each. This was a surprise to find the bill so low, and it was gladly passed.

Mrs. Wm. Knight complained that the isolation hospital depreciated the value of her property on St. Clair street. Referred to Finance committee.

A communication from Wm. Moore, of Ottawa, re the stamping out of consumption, was referred to the Finance committee.

A number of petitions were referred to the Finance committee.

The secretary of the water works department's account against the Dominion Paving Company for \$365.54 was referred to the Board of Works.

Miss Adele McLean complained of her high assessment on the Lacroix street pavement. Referred to the Finance committee.

The Chatham Manufacturing Company asked permission to put two fire alarm boxes in their factory and connected with the city fire alarm system, the expense of putting in the boxes to be borne by the Chatham Manufacturing Company.

Ald. Edmondson moved that the request be granted. Carried.

The Board of Health submitted the resolution passed at their meeting yesterday afternoon, petitioning the Council to have the Clerk open up an account for expenses at the isolation hospital, so that accounts certified to by the Medical Health Officer and Sanitary Inspector could be passed without coming before the Council.

Ald. Marshall moved that the resolution be accepted by the Council. Ald. Scullard seconded and it carried.

Several notices of motion were filed.

Ald. Edmondson reported on the civic trip to Woodstock. They inspected the market and were much impressed with it, noting the various advantages in connection therewith.

Ald. Edmondson made an eloquent plea for a substantial new market.

Ald. Edmondson moved that plans be asked for from the architects of the city. Carried.

An estimate will also be secured from the City Engineer for paving.

Ald. Piggott said last year there was \$300,000 lost by the flood. "Now I have a proposition," he declared.

The Mayor, interrupting—What! Are you going to run for member?—Laughter.

Ald. Piggott, continuing, advised the keeping of a large ice boat for use in the spring.

On motion the Mayor appointed the Industrial committee to look into the matter.

Ald. Piggott said he would secure co-operation from the railroads and townships.

The Mayor said it was a splendid idea.

Ald. Edmondson advocated the placing of a light at the latter day saints place of worship. The matter was left till the beginning of the new year.

Ald. Edmondson rose with beaming face and congratulated the city on its lights. Why, in Woodstock Ald. Martin couldn't find his way.

Ald. McCoig—Ah, um. Too bad, too bad!—Laughter.
