Freight transportation to the west is very slow this winter. On Nov. 6, 1906, Mrs. Roy Tobey, of this city, shipped a bill of goods to his brother Fred in Meeta. Mr. Tobey has just received a letter from his brother dated Jan. 6, 1907, in which the latter states that the goods have not yet arrived in Meeta. Mr. Tobey fears that the fashions will change several times before his brother gets the shipment.

Through an error, it was stated in a recent issue that the late Mr. Wm. Tappenden, formerly a resident of this city, had passed away in Los Angeles, Cal. The deceased died in Portland, Oregon, where for years he had been the proprietor of a large and flourishing shoe business, and where he was highly esteemed by all who knew him. The letter containing the sad news was dated from Los Angeles, and this was the cause of the error.

TREASURER IS UNDER ARREST

W. J. McGee Of Montreal Lost Heavily In Speculation

HE EMBEZZLED \$50,000

Montreal, Jan. 17.—There is a young Montrealer short in his accounts to the extent of over \$40,000. William J. McGee, treasurer of the People's Mutual Building Society, well-known in amateur sporting circles, is to-day under arrest, a self-confessed thief, embezzler and forger. McGee commenced by declaring that he had been guilty of manipulating the books of the society, cheques and notes, as a result of which he was enabled to handle a great deal of money, much of which had been lost by continued dabbling in stocks. With tears in his eyes, he said he did not know the amount of his defalcations, but they will be close on to \$50,000.

WHAT MIGHT HAVE BEEN.

Inspector Heard Rumors of McGill But Was Afraid to Investigate.

Toronto, Jan. 17.—Mr. Arnoldi, K.C., made another vigorous attempt in the Police Court yesterday to have the proceedings in the Police Court in the case of McGill brought to a quick finish. He was opposed at every step by Crown Attorney Corley, who wishes a continuation in order to introduce new evidence which cannot be ready for a few days.

"I think our patience is about exhausted," Mr. Arnoldi remarked to Magistrate Denison.

"Not half as much as the patience of the shareholders," said a man standing near the press desk.

After listening to both lawyers, the magistrate decided to hear the argument to-day. This will not, however, prevent Mr. Corley from putting in further evidence when the case is resumed on Monday.

Were Suspicious in 1905.

Robert B. Caldwell, the inspector of the Ontario Bank, who did not inspect the head office, where big things can occur, was the only witness. His evidence went to show that as far back as May, 1905, he and President Cockburn had discussed the street rumors regarding McGill's dealing in stocks.

The same question was discussed between them a year later. There was no inspection made for fear of hurting Mr. McGill's sensitive feelings, and injuring the standing of the bank.

He did speak to McGill, however, who stood him off for a time and finally dashed \$1,000,000 worth of securities at him. That was all the inspecting that was done, although witness and Cockburn had concluded an examination of the head office books should be made.

Afraid McGill Might Quit.

It was understood that McGill was a wealthy man and trustee for the estate of Mrs. Nicholls of Peterboro.

Witness and Mr. Cockburn were loath to follow up these suspicions for fear McGill might take umbrage and resign, although they had heard rumors reflecting on the character of the general manager.

Maggie Harris Discharged.

Criminals Hike For Canada.

London, Jan. 17.—(C. A. P.)—A number of offenders have endeavored to escape conviction by promising to emigrate to the Dominion, which seems to have a fascination for the criminal. A burglar excused himself by saying he did it with the best intentions, wanting the wherewithal to go to Canada for a new start.

Most Rev. Dr. Sweatman is Given High Honors

PRIMATE OF ALL CANADA

Toronto, Jan. 17.—Right Rev. Arthur Sweatman, Anglican Bishop of Toronto, was yesterday elected metropolitan of the eastern ecclesiastical province, with the title of Archbishop of Toronto, and also Primate of the Anglican Church in Canada, at a meeting of the House of Bishops held at St. Alban's Cathedral. Afterwards, at a special convocation, he was awarded the degree of doctor of divinity by Trinity College.

The ceremony at the cathedral, which was of a private nature, began at 10.30 a. m., and was attended by Bishop DuMoulin of Niagara, Bishop Rainham of Keewatin, Bishop Hamilton of Ottawa, Bishop Williams of Huron, Bishop Carmichael of Montreal, Bishop Mills of Ontario, Bishop Dunne of Quebec, Bishop Thornhill of Algoma and Bishop Holmes of Mooseonee. Canon McNab, rector of St. Alban's Cathedral, was the only clergyman present.

Made Doctors of Divinity.

Luncheon was served at the Sea House, after which the bishops adjourned to Trinity College, where His Grace Archbishop Sweatman and Rev. J. C. Farthing of Kingston, Dean of Ontario, were granted degrees of doctor of divinity honoris causa.

After a brief address by Rev. Prof. Clark, vice-chancellor, who characterized Dean Farthing as an ecclesiastical power and a great minister of the church, the Lord Bishop of Ontario introduced the candidate with a few remarks.

In replying Dean Farthing said that he could receive no greater honor than a degree from Trinity College.

This university stood for high ideals and a well-balanced manhood in all relations of life. To have an ideal at all in these days of commercialism, pervading all conditions of life, was a great thing in itself.

Lower House Congratulated.

He was proud to be associated with his grace on such an auspicious occasion and would convey to him the congratulations of the lower house on his new honor and dignity.

Bishop DuMoulin had the great honor and pleasure of introducing the Most Rev. the Lord Archbishop of Toronto, Metropolitan of Canada, and Primate of All Canada.

For fourteen years he had looked up to the Bishop of Toronto, in his gentle, kind rule. He welcomed his grace to the high honor that the church had bestowed upon him to-day.

"We have known him long and well for the last thirty years," said his lordship. "He has followed closely the business of the church, and nowhere could be found one better able to occupy the exalted position to which he has been elected."

Ven. Archdeacon Sweeney spoke for the eighty-eight clergy of the Diocese of Toronto. The twenty-seven years of episcopal life of the archbishop had been a busy one. He had done a great constructive work for the church. During his life over forty thousand had received confirmation at his hand and he had ordained over four hundred clergy.

The Primate's Reply.

His grace spoke briefly. It was the proudest day of his life when by the suffrages of the clergy of this country he had been named to the highest position in the gift of the church. He was sensible of the enormous responsibility which the position entailed. It was a great time in the history of the church, but he was confident of the support of all the bishops and clergy.

The great Northwest was a tremendous problem, to which he would devote his best energy, specially directed for the benefit of the missionary work of the church.

He esteemed the honor that Trinity had bestowed upon him. His connection with Trinity had been very close. It was the heritage from the first bishop of the diocese.

Career of Most Rev. Dr. Sweatman.

His Grace the Archbishop of Toronto was born in London, England, in 1834. He received his early education at University College School, London, and in 1859, graduated with high honors from Christ College, Cambridge.

His early Christian work was begun as a teacher in Christ Church Sunday School. He came to Canada in 1865 to fulfill the duties of headmaster of Hellmuth Boys' College, London. Later he accepted the teachership in Upper Canada College, but resigned to become rector of Grace Church, Brantford. He was appointed a canon of the London Cathedral in 1875 and later was honored as Archdeacon of Bronte. After a ministry in Woodstock he was elected third Bishop of Toronto on the death of Bishop Bethune.

RE-ELECT OFFICERS

The annual meeting of the Chatham Mineral Water Company was held in the F. G. O. Z. Auditorium yesterday afternoon. There was a good attendance of directors and shareholders present.

LEATHER MAY GO UP

Toronto, Jan. 16.—Owing to the scarcity of bark and other tanning materials and the higher price for labor, the cost of producing leather has increased, according to the annual report of Mr. Charles King, chairman of the Tanners' section of the Board of Trade, read at the annual meeting at the National Club yesterday. Mr. King also asserted that there had been steady and increasing demands in the leather trade, though prices had not advanced in proportion to that of hides and materials entering into the manufacture of this necessity. There were no large stocks on hand, and with the great expansion due to railway construction and increased immigration, the prospect was that prices would not only hold firm but might soon advance.
