Work of the W. C. T. U.

When we come to the close of the year it is natural as individuals or organizations we review in some degree at least the past. The Women's Christian Temperance Union of Hartland has been in existence for twenty-five years. At no time has it been a large organization, but it has steadily gone on its way, doing its work of love, here a little and there a little, "for God and Home and Native Land." In addition to the regular and public meetings that have been held with good programs of helpful suggestions by the Superintendents of the different departments. Six cases and one barrel of shoes, clothing and groceries were collected and forwarded to the relief of the Belgian sufferers; twelve comfort bags were made and filled for the seaman's mission, each containing many useful articles, also a new testament and a treat for "those who go down to the sea in ships." Through the summer a great many flowers were sent, most of them with scripture texts attached, and at Christmas several boxes of dainties were sent to the lonely and shut-ins of our village, each bearing its message of hope and cheer. New programs have been arranged for the coming year and the W. C. T. U. intends to be faithful in its aim "to sow beside all waters knowing not which shall prosper, this or that." The next meeting will be held at the home of Mrs. Aaron Campbell on Thursday, Jan. 14, at 2.30 p. m. A full attendance is solicited.

The table was beautifully decorated with red and white roses and pink and white chrysanthemums. A Christmas tree was there in all its splendor and laden with many gifts. Mr. and Mrs. Gee received some beautiful gifts of chinaware and other useful articles. Among those present were:—Mr. and Mrs. Ezekiel Green, Mr. and Mrs. Edgar Green and family, Mr. and Mrs. Abel DeMerchant and family, Mr. and Mrs. Gideon Green and family, Mrs. Annie L. Found a Friend in Dr. Chase

His Medicines Proven Effective, and Always Kept at Hand in This Home.

Mrs. Chas. Lovell, Agassiz, B. C., writes:—"I feel it my duty to tell you what a great friend Dr. Chase's medicines have been to myself and family. I cannot praise his medicines too highly. Dr. Chase's name is a household word in our home. Well, quite a number of years ago I sent you a sample box of Dr. Chase's Ointment for protruding piles, and, having used the sample and found relief, I sent to a neighboring town for four boxes, and I am completely cured. I have also used Dr. Chase's Kidney-Liver Pills for constipation, and am cured of this dreadful disease. I am cured of ten children, of whom nine are living, and when seven of my children were all very bad with whooping cough, caught in the middle of a severe winter, I used Dr. Chase's Syrup of Linseed and Turpentine, and they were all cured before the winter was over, and now we are never without Dr. Chase's medicines in our home, and I recommend them to all."

It is true that three years ago we did intend to abandon the

We have therefore stocked up again and shall continue to do business as in the past.

Our store is not so large or our stock so heavy as formerly but we have
