-Another battle in the Soudan is promised to-day.

ally denied in the Senate last Thursday the charge of Mr. Mowatt that

day the charge of Mr. Mowatt that he had promised the Registrarship of Regina to any of his followers.

—Grip offers to sell the press cuts of Wilkinson's notatruction doubtful, and a petition from 3:800 kg was for Wilkinson's room with some understand finformers.

—An Ottawa despatch, dated March 26th, says:—The Maritime Arch 26th, says:—The Maritime Provinces Government supporters had an interview with the Government to day. Daly, Wood and Provinces in respect of a short line from Mostres that Cape Broton's share of the Equil Manifest and Wilkinson's the Committee at Ottawa here and will be more than the Government, as being more in the the interests of Foot Provinces in respect of a short line from Mostres that Cape Broton's share of the Dominion debt was \$4,000,000, the provinces at a diarear of the Young had caped to the shad, the bridges on the setting on foot in the Legislature, some to the some to be seeme part of the geometry of the government to the some to be seeme part of the geometry of the government to had the first section of the bill was spirituous liquers in St. John, the some to be seeme part of the geometry of the geometry of the geometry of the geometry of the section of the bill was spirituous liquers in St. John, the subtime of the geometry of the geo

by no means free from troubles and perils, we must go to the Polish provinces of Germany if we would sound the depths of editorial woes. In those blest regions all the editors hat two are in prison for the nefaribut two are in prison for the nef gevernment wherewith Germany has been so generously provided by Providence. The editors of the Kurr Pozn, the Dzien Pozn, the Przeparty should shortly have a policy. glad Kosceilny, the Wielkopolanin, and the Goniec Wielkopolski, have "The Liberal party would shortly subfrom three months to two years, and we are not clear after all that the severity of the ways and the severity of the ways are not clear after all that the ways are not clear after all that the severity of the ways are not clear after all that the ways are not clear after all the ways are not clear after all the ways are not clear after all the ways are not clear

men here to know if the Governall the grammer school boards, whose property, etc., is to be hand-ed over to the school trustees. This includes the grammer school board

virtually amounted to nothing.

Ever since the establishment of this form of government there has been a great deal of discontent through the colony and it now looks as if this discontent might before long assume a very serious shape. The colonists have for some time heek. colonists have for some time back wait till the fact is established bebeen petitioning the Home Governfore they connect the Ottawa GovRlair moved a resultion to ment for such a change in their ernment with it. Some letters, found ment for such a change in their constitution as should give them on Kirkland, show that he was drawsome genuine control over their ing on associates, in the States; and
the other branch of the Legislature, constitution as should to the expenditure of money. The polite replies made to their requests by Lord Derby, Secretary of State points, judgment must, for the present, be suspended.

The Colonies, seem to have unduly excited their hopes, and now that the expected change has come and is found to consist merely in the permission to elect the above mentioned non-official members, the whole colony is in a blaze. A most not be vile and detestable of foot, meetings are being fleld, and petitions and protests are pouring in like hail on Lord Derby and the unfortunate governor. Sonst the proving suit have to be done before long. It is altegether probable we should think, that the people will eventually be allowed to have their own way in the matter and will level the policy of way in the matter and will level the company for ever afterwards.

The LOCAL LEGISLATURE.

The business of the session has been not of the policy and an offer either directly or indirectly.

The business of the session has been not of the conting and an offer either directly or indirectly.

The business of the session has been not of the conting of the inhabitants but they to the Governor Genral upon the financial eosition of the Province and do but little against the mass of rebels fronting Khartoum. The exchalled of 1,200 men in three steamers. The men were concealed in the bolds to avoid the fire of the Arabs on the banks of the river. The expedition of the subject of the banks of the river. The expedition of the sale of 1,200 men in three steamers. The men were concealed in the bolds to avoid the fire of the Arabs on the banks of the river. The expedition lost only two the way of the inhabitants but they can do be the Province and the subject of the financial eosition of the Governa Governa the financial eosition of the Governa committee.

Whether Bunting et al. are guilty of next, and also for a committee of the committee of the other to next the to the Governa the financial eosition of the Governa committee of the committee of the other thanks of the river. The e

never had an offer either directly or indirectly.

The business of the session has been rushed through and so far completed that the House will be able to adjourn in a few days, possibly on Saturday. The session as a whole has been a rather uneventful one. The Government has brought in no schemes of reform and has added nothing to the liabilities of the country. Their sins are rather, therefore, of omission. If they have done nothing to the liabilities of the country. Their sins are rather, therefore, of omission. If they have done nothing to the liabilities of the country. Their sins are rather, therefore, of omission. If they have done nothing of extreme importance, they have made no false plunges. We trust the Government will, next session, be prepared to meet the public expectations with meet the public expectations with meet the public expectations with a contract of the country. Their sins and the properties of the country. The contract of the country of the interviews with diases. It of the construction of railways and other works had to shut down shortly after statting. They had started again, however, and sample orders in the Upper Provinces had given the greatest satisfaction. So large an enquiry has been made and the upper Provinces and the upper Dowling makes himself out to be plunges. We trust the Government will, next session, be prepared to meet the public expectations with respect to stock farm, agricultural matters, Government House, Legislative Ceuncil, &c.

Dowling makes himself out to be southwest altraubent and present route is on the northern side, and from investigations it was members of the Government tell you to go there? A. Yes, but I did the right to the Lieut. Governor to change the route to that if it was of Canada en first page.

MIRAMICHI VALLEY RAILWAY.

A battle of routes in the above enterprise has just been fought out I might as well go and hear what sidy act contemplated a line along the northern bank of the Miramichi and the Dominion Government had subsidized the line (32 miles) with \$3,200 per mile. The County Council by a vote of 19 to 7 endorsed that line. It was vigorously championed by Messrs. Adams and Mr. Park in of the Legislature, all to no purpose. On the other hand, the bridges on that side rendered its construction of the council by a vote of 19 to 7 endorsed that is of the Legislature, all to no purpose. On the other hand, the bridges on that side rendered its construction to the Legislature, all to no purpose. On the other hand, the bridges on that side rendered its construction to the Legislature, all to no purpose. On the other hand, the bridges on that side rendered its construction to the Legislature, all to no purpose. On the other hand, the bridges on that side rendered its construction to that side rendered its construction that side rendered its construction to the legislature and a petition from 3,800 to the legislature and a petition from 3,800 to the legislature and a petition of the side and Mr. Farser say?

A. Well, they told me like this, that thought each route of the Buetterston of the route of the Buetterston of the nate provides for the Buetterston of the nate provides for the Buetterston of the nate provides for the Buetterston of the part of \$100 for all licenses, whether hotel, saloon, shop, tavern or wholesale or any other license for the sale of the side and mining provides for a license for the sale of \$100 for all licenses, whether hotel, saloon, shop, tavern or wholesale or any other license for the sale and mining provides for a license for the sale and mining

from Sir John. The debate on supply last night was warm.

—While newspaper-editing is, even in our own part of the world, leader of that party, he is superior each our own part of the world.

—We like the world of the world, leader of that party, he is superior of the world of the world.

And his seat in the Senate, as a representative of New Brunswick, was on the leader of that party, he is superior pledging his word of honor that Mr. and was included in the last census

THE ONTARIO SCANDAL.

(From Monetary Times.) includes the grammer schools of St. Andrews and Shediac will be of St. Andrews and Shediac will be of St. Andrews and Moncton, where provincial grammer schools are to be established, though with a reduced provincial grant. Superior schools are to be re-established, but with only \$200 provincial grant instead of \$300 formerly given. In these of \$300 formerly given. In these of side and the first of the deficiency is to be made up also, the deficiency is to be made up also. The grammer schools are to be grant of the chief that it was the intention of the flower that it was the intention of the Government to take any steps to obtain such alteration or amendment in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was untented to force his way at the head of his troops along the table puts the floating debt on 31st December, 1882, at \$291,202.09.

Estimated on 31st December, 1882, at \$291,202.09.

Estimated on 31st December, 1882, at \$45,387.45.

MARCH 23.—Weldon asked wne investigation of the Government to take any steps to obtain such alteration or amendment in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was not, the first was the intention of the Government to take any steps to obtain such alteration or amendment in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was not in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was not in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was not in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was not in the law so as to permit Downton officials' income to become subject to municipal taxation.

Sir John replied that it was not intent to take any steps to obtain A serious charge of conspiracy o bribe members of the Ontario also, the deficiency is to be made up by local taxation. All these points are foreshadowed in Mr. Crockett's report. It is also rumored that it has been decided to reduce the provincial grant to all teachers by 10 or 12 per cent.

—Political affairs in Jamaica are in a bad state. Up to 1866 it had representative institutions largely like our own. But, in consequence of the troubles of that year, these institutions were withdrawn by the English authorities and a govern and allowed \$1,800, in two sums, and that no money should be expected to a septim to a mend that its expedient to a mend distressed bill to amend chap. 51 of the Consolidated Statues of County Courts. The bill provides no appeal shall the set respecting the treatment and relief of sick and distressed bill to amend distressed bill to amend distressed statues of county courts. The bill provides no appeal shall the set respecting the treatment and relief of sick and distressed mariners, so as to extend the benefit the set respecting the treatment English authorities and a govern and allowed \$1,800, in two sums, ment established consisting of nine \$1,000 and \$800, to be paid to ment established consisting of nine official members or ministers and eight unofficial members nominated by the governor. Of this council the speaker's hands, and an investigation commenced in two places: before the Committee of Privileges the police court. Bail was refused by the Pelice Magistrate, for ling power of the unofficial members. Virtually amounted to nothing.

Domain again called attention of the fact that Cape Broton's share of the fact that School that Senator Odell was practically a resident of Halifax, and his seat in the Senator Odell was practically a resident of Halifax, and his seat in the Senator Odell was practically a resident of Halifax, and his seat in the Senator Odell was practically a resident of Halifax, and the fact that Cape Broton's share of the fact that Cape Broton's share of the fact that Cape Broton's
