HARRINGTON WON THE STEEPLECHASE AT WINDSOR.

Donau, Odds-on Favorite, Was Beaten by Gallant Pirate and Ben K. Sleet.

THE OPENING RACE at Windsor yesterday saw the downfall of the odds-on favorite Donau, who swung wide into the stretch to avoid the muddy going on the rail, and was beaten by both Gallant Pirate and Ben K. Sleet.

The steeplechase saw Harrington in front all the way. He loomed grand at the jumps, but has so much speed that he was never beaten in spite of this disadvantage. When Starter Dade sent them away Jockey McKinney cut across in an attempt to head off Harrington, for which he was set down for the remainder of the meeting.

Barney Schreiber's big horse, Emperor William, a 30 to 1 chance, in the mile and a sixteenth condition race, shot into a commanding lead at once, and it was not until half way through the stretch that the light-weighted Alice overhauled him. The favorite, Martin Doyle, who is not partial to a bad track, was out-run all the way and finished fourth.

For creating a disturbance in the grand stand a few days ago and assaulting a man with whom he had some dispute, E. F. Pons, owner of Ben Double and Roseboro, was fined \$250 by the executive committee of the club.

After A. H. Brenner's Tremargo won the last race he was bid up from \$500 to \$1,000, and retained. Guy Gray and P. M. C. will be the bidders. Summary:

WHAT IS GEORGE GIBSON'S VALUE TO B. DREYFUSS, PIRATE MAGNATE?

Pittsburg, Aug. 11.—Suppose you owned a baseball club that was leading the league along toward the three-fifths mark when the race was hotter than Tombstone, Ariz., in dog days, and suddenly realized that you had but one catcher capable of working?

You'd consider said catcher an asset worth pretty near his weight in radium, wouldn't you?

Such is the Pittsburg situation today, and it isn't violating any confidences to say that Col. Barney Dreyfuss, owner, and Fred Clark, manager, look upon Geo. Gibson, the reliable backstop, as the one best bet of the Pirate outfit.

It doesn't require a warrant or a searchlight to uncover the real reason for the Pirates' success. Geo. Gibson, the club's great catcher, has worked in every game save one the club has played this summer, and his knowledge of batters, his hitting and throwing, have done much, very much, to keep his team in front of the running.

One of the men least heard about, Geo. Gibson is one of the greatest catchers that ever threw out a man at second. Unlike Bresnahan, Sullivan, King and other stars, Gibson is not a showy backstop, but he's there forty ways from the deuce.

GEORGE GIBSON.

"Willin' George" is what Manager Fred Clark calls him, and "willin'" is right. If Gibson can go through the season without accident and catch every game, as is planned, there is no apparent reason why the team should not hang on to first place. If he falters, the grand defence will all go to pieces like the one hoos shay.

The only substitute catcher the Pirates have is Pat O'Connor, who is not yet ready for fast company, and who could not fill the Gibson shoes if he tried.

Some Sage Advice by Hans

Don't plan out grand stand plays.

Don't try to play shortstop if you have to think how you are going to use your feet; you've got time to think of how you will catch the ball only.

Watch the catcher's signals. It helps a whole lot.

Always arrange by sign whether you or the second baseman will cover second in case of an attempted steal. It prevents accidents and keeps the other fellows guessing.

LEAFS BREAK LOSING STREAK---BEAT ORIOLES.

Rochester is Still on the Toboggan Slide--- Detroit Won at Washington.

BALTIMORE, M.D., Aug. 14.—Toronto got away with the first game of the series at Oriole Park yesterday, 6 to 4. The Maple Leafs played inside baseball in the early rounds, piling up a good lead, and while they did badly in the field in the last two innings, the handicap was too much for the Birds.

The Birds put the wood to the leather right merrily in the eighth and ninth sessions, and, aided by Toronto's errors, cut down Toronto's lead and had a fine chance to tie the score, but the necessary bingles were not forthcoming. Score: R. H. E. Toronto ... 6 10 4 Baltimore ... 4 10 1

AT JERSEY CITY. Jersey City, Aug. 14.—Ford of the Skeeters allowed the Bisons four hits yesterday in a pitchers' battle and beat them by a score of 2 to 1.

R. H. E. Jersey City ... 2 6 2 Buffalo ... 1 4 2

AT NEWARK. Newark, Aug. 14.—The Indians put it on the Royals yesterday. McGinnity's pitching was too good for the visitors. Meyers of the Indians, made the longest hit of the game, a three bagger. Score: R. H. E. Newark ... 4 8 3 Montreal ... 1 6 1

IN THE AMERICAN. At Boston—Boston batted two Cleveland pitchers hard, winning, 7 to 2. It was the eighth consecutive victory for the locals. Score: R. H. E. Cleveland ... 2 7 2 Boston ... 7 10 1

At Philadelphia—In a hard-hitting game here, in which both Waddell and Dygett were knocked off the rubber, Philadelphia defeated St. Louis, 8 to 5. Hartzell, of St. Louis, batted out five singles in as many times at bat. President Ban Johnson, of the American League, denied that Umpire Tim Hurst had been dismissed. He said he would

investigate the case fully before taking action. Score: R. H. E. St. Louis ... 5 11 2 Philadelphia ... 8 13 1

At Washington—Donovan was a puzzle to Washington, especially when runners got on first, and consequently Detroit won handily, 5 to 6. Catcher Blankenship, with a broken finger, was a big handicap to the locals, and the runs of the visitors were chiefly made through his wild throwing. Score: R. H. E. Washington ... 0 6 4 Detroit ... 5 14 1

At New York—Chicago defeated New York, 4 to 3, in an uninteresting game and took possession of fifth place in the race. Score: R. H. E. Chicago ... 4 10 2 New York ... 3 7 4

IN THE NATIONAL. At Pittsburgh—Pittsburg won from Philadelphia yesterday in a twelve innings game by 2 to 1. McQuillan was responsible for the winning run, making a wild pitch, which allowed Clarke to score from second base. Score: R. H. E. Pittsburgh ... 2 6 0 Philadelphia ... 1 11 1

At Chicago—New York batted Kroth, Higginbotham and Hagerman off the rubber yesterday at the start and made five runs. Overall took the box in the third with runners on second and third and none out. One hit was made off him in this inning, scoring the last of New York's six runs. A single and Tinker's terrific drive gave Chicago two runs in the second. Raymond was saved twice by two spectacular double plays. Tinker made a single, two doubles and a home run in four times at bat. Score: R. H. E. Chicago ... 2 7 2 New York ... 6 12 1

At St. Louis—St. Louis defeated Brooklyn in the second game of the series yesterday by 5 to 4. Bell was hit hard in the fourth for three runs. McElveen's error, Kousschey's triple and a passed ball by Marshall netted two in the eighth for St. Louis. Score: R. H. E. St. Louis ... 5 7 2 Brooklyn ... 4 8 1

FOUR NEW RACE TRACKS ON CANADIAN SOIL.

Toronto Men Secure Incorporation of Metropolitan Association of Canada.

TTAWA, AUG. 14.—Federal charter has been granted to the Metropolitan Racing Association of Canada. The head office is in Toronto and the authorized capital of \$100,000. The incorporators are W. A. Cotton, A. E. Melhuish, J. R. Ratray, A. C. Hornby and P. E. Callen, of Toronto, and John McLean, of Georgetown. Authority is given to hold race meets in Montreal, Quebec, Toronto and Winnipeg.

As outlined by one of the incorporators last night, the Metropolitan Racing Association is working out a big scheme. They have, he said, ample funds to go ahead and have already been actively working for the securing of proper grounds in the four cities in which they intend holding racing meets. In three of the four they have secured options on desirable property. So far as Toronto is concerned, Dufferin Park is regarded with favor, and it is most likely that the local racing will be carried on there.

The racing will be of a mixed variety—running and trotting—but running will predominate. Under its Federal charter the association will have the right to allow bookmaking, and it is their intention to have a string of "bookies" just as at the Woodbine during any regular racing meet. According to the informant, the details of the proposition have not yet been fully

worked out, and he was not in a position to say when actual operations would commence in any of the four cities. Neither could he advance any information as to the length of time which the meets would consume or how many times they would be held during a season.

In Montreal and Winnipeg conditions are similar to those existing in Toronto. There is in each of these cities two tracks, one of which is available, and on which an option has been secured. At Dufferin Park running meets, with bookmaking privileges, were stopped recently by the Ontario Government on the ground that the charter under which the meets were held that of the York Riding and Driving Club, and had automatically lapsed.

Mr. P. E. Callen, one of the incorporators of the new venture, was a former President of the York Club, and it is also understood that Mr. A. Orpen is interested in the Metropolitan Association.

Premier Whitney, when asked last night how the Ontario Government looked upon the granting of this charter, and the probable use of Dufferin Park, said that he could not give a decision offhand on the question. It was rather a delicate matter, and any statement of policy at this time might cause trouble. "We will very likely have to look into the question later on," he said, "but just at present I have no opinion to give."

West; home field, Carter, Fitzgerald, Barnett; outside home, Kalks; inside home, Warwick.

Capitals—Goal, Hutton; point, McDonald; cover-point, March; defence field, Shea, Pringle, Starrs; centre, Doolley; home field, Eastwood, Butterworth; home field, outside home, Schultz; inside home, Lavelle.

ADAMS IN TRAINING. George Adams has started to train for his five-mile race with Alf. Sellers at the big meeting here on Labor Day night, and he thinks that he will be able to defeat the Toronto man with little trouble, although Sellers has a record that makes him a dangerous opponent for the best man in the running game.

Entry blanks for the open events have been mailed all over the province, and it is expected that there will be a great array of athletes here, and the local boys will have plenty of trouble in keeping the prizes in Hamilton. Three bicycle races are carded, all of which will be handicap events, and some of the crack riders of Toronto have already entered.

The other open events on the programme will be 100 and 220 yards races, quarter mile, 1/2 mile race, and a quarter and three mile race for boys under 18. All the events will be handicap affairs. There has been a brisk demand for entry blanks, which can be obtained from Billy Carroll or from Charles J. Weber, 55 John street north.

A plate of ice cream will sometimes cause a girl to warm up to a fellow.

ONTARIO CRICKETERS PILE UP A LEAD.

In the first day's play of the annual interprovincial cricket match between Ontario and Quebec at Toronto yesterday, in which each eleven played an inning, Ontario were ahead by 237 to 137, and to-day go to bat for the second inning with an even 100 runs to the good. Quite a gallery watched the play, among them being His Honor Lieutenant-Governor Gibson and Mr. Wm. Southam, of Hamilton, both of whom had sons playing the game, but yesterday was not their day, both boys being retired with a duck, an unusual thing for the two hard hitters.

Bell, for Ontario, was the brilliant batsman of the day, with the top score, 84, but those who witnessed the batting of H. J. Heygate, the former Sussex player, later in the day, have no hesitation in saying that Heygate was the best bat on the field.

The feature of the day, however, was the wicket keeping of Corder, for Ontario, the former Gentleman of Ireland player, convincing many that he is one of the best wicket keepers Ontario has ever had.

Play was resumed this morning at 11 o'clock, with Ontario going to bat first, Quebec being all out yesterday ten minutes before the time scheduled to stop. Scores:
