The matter of nominations to vacant offices in the gift of the Assembly was taken up. Rev. A. H. Foster of Oakburn, Man., was nominated as business manager of the Presbyterian Publications, Rev. George B. Carson, D. D. editor-chief of the proposed weekly official church paper in the event of the Witness being merged in the larger periodical. It was decided to make no nomination to the professorship in Robertson College, Edmonton, and the theological college in Saskatoon.

Rev. A. D. Archibald reported on

the work of his committee on public education calling attention to the

blame in the public school life of

the province which must sooner or

later react to the detriment of

the community at large.

Rev. W. M. Matthews in discussing the temperance situation in the province called attention to the inadequate organized effort made by the Presbytery and he expressed a desire to see a more aggressive educational policy along these lines inaugurated, especially in view of the approaching referendum on the question of the importation of intoxicating liquors. He moved that a committee on prohibition be appointed to take such action within its rightful sphere as would be in the best interests of the work. The motion was carried and the following committee appointed: Revs. L. H. MacLean, convener, Dr. E. B. Wyllie, F. W. Thompson, G. S. Gardner, F. Harrison, G. P. Tatlock, G. A. Grant, Hugh Miller, A. D. Archibald and J. H. McLean, and Messrs. E. A. McCurdy, John A. McNaughton and W. R. McMillan.

He further moved, seconded by Rev. Thos. Harrison, that in view of the approaching vacancy in the chief inspectorship under the Provincial Prohibition Act, the Presbytery of Miramichi beg leave to present to the serious consideration of the Lieutenant-Governor in Council the name of Rev. Dr. E. B. Wyllie minister of St. Andrew's church, Chatham as a person admirably qualified to discharge the duties of the office. The motion was carried unanimously. It was further resolved to forward copies of the resolution in full to the Government and to the New Brunswick Temperance Alliance.

The committees appointed at last meeting presented resolutions for the record of Presbytery touching the death of Revs. D. Henderson and W. Sutherland honored members of the court for many years. The resolutions were approved.

Rev. Thos. Harrison reported an anonymous note to the editor addressed to a special committee of which he was招集人. The note hoped that some old time minister will be found to be the author.

The committee on Temperance Work presented a report concerning their work during the past year.
