visited by a large number of peo-ple in the summer season. Those His discourse was on the priestwho came, would induce others hood, and was a masterpiece of to follow their example and in eloquence and logic. The ceremonies lasted about two hours.

Says the Montreal Gazette:

An impudent attempt is being may often be unjustly and arbitrarily made by Liberal newspapers to used. But the section is plain and unthis way our advantages as a summer resort would become widely on Sunday the young priest celebrated his first mass in St. George's. It was a solemn High panies; but in other lines was most commendable. He thought they might profitably co-operate to provide money to facilitate the moying of the crops. At the conclusion of his Honor's speech, he was given three cheers and the exhibition was formerly declared opened.

The exhibits within the building, while of excellent quality, are not so umerous as on some former years. The exhibits of grain, roots and vegetables are fine indeed, and the display of apples is, for this year, exceptionally good. The display made by our merchants, in their different lines are, for the most part, wanting. The show of fancy needle work and textile fabries is very fine; and the exhibit of fine arts is about equal to that of most former years. The finnest part of hough the first of most former years. The show of fancy needle work and textile fabries is very fine; and the exhibits of fine arts is about equal to that of most former years. The will long be remembered by the sum of the conservative flow. The conservative is the sum of the conservative to the most part, wanting. The schibit of fine arts is about equal to that of most former years. The will long be remembered by the sum of the conservative flow in the section is plain and unabiguous; and although it may be remembered by the field of the deci of the distinct of the deci of half a million for the said that the fellow of the per and the light of the core moises only responsible for the deci of half a million for the deciding and the delicible it is not for us to lice that the Laurier Government was responsible for every month of the two parts and the li mer resort would become widely On Sunday the young priest cele- make the late Conservative Gov- ambiguous; and although it may be textile fabrics is very fine; and the exhibit of fine arts is about equal at terms.
