haps, as horrible an idea of Torybe entertained, and it would be. convince us that it does not. t remote locality, still retain . But bad as we detest it, we travel a hundred miles bare-nud, to asve the life of the worst ter met with. We are not even re not even possible circumstance could iny or wish the destruction of the reatest political enemy. There pology offered for an asperity of r the bandying of left-hand veen the belligerants of opposite (although even these are far ible,) but no apology can be acise of language which threatens lives or property of our fellowt, the man who is guilty of such feited his right to membership imunity.

an possibly read the speeches of id especially the speeches of Sir the atrocities of the Montreal eriencing the most painful feelt suppose that ever Sir Altan into the philosophy of human notions regarding the qualities mind are very rational or sys. has certainly lived sufficiently ugh to know that no mob eiare perpetrate outrages unless who consider themselves very b. Sir Allan does not exactly of the Libraries, that would h of the Gothic, but he apolosedness by supposing that the ed-that the feelings of our ed and outraged by the act of Now, Sir Allan McNab s no feeling-no principle in in be so outraged as to lead to lesperate and revolting crime, d that each of us must pay s than one penny a year for years, as a comp Granting that the imposiyear was the most unjust that yet the man who would asnposition would madden the our nature, and drive us to and desolation, ought to be or libelling our comm on hu t outrages are committed unexasperated feelings, but no r, under any circumstances, ted as to destroy public or nd no good man will either mpt to extenuate the crimi-nduct. But, in the second Nab cannot shut his eyes not of his conscience on the fact of the public mind, or rather as produced by himself. and

organs of the press. at the idea of Sir Allan or devising schemes for the of the public peace, or the public and private property and the Hon. George Mof , and countenance the viosuch men as W. Gordon ir Ferrer, and did give their ronage to such meetings as r, will, in the eye of heaven of all thinking men, go far the disgraceful proceedings The conduct of Sir Allan of the Parliament Buildings, eyond anything that could nd must be galling to evewitnessed it. And should o go to Britain's Sovereign a petition of a mere mob eir patrons, praying for the ve would expect that her her disapprobation of his

Ler Guerings may be profitable for the imyr and the loading, where yo come manage or other, al-myrarscontrive to live upon year industry ; that such meetings have flower advanced the interests of peace and labor. Therefore, every hones industrious man should frown upon such meetings, they are calculated to injure the credit of he Province by representing us as an issurrec-ionary and revolting people, when the fact is hat the " Leagues" and the " Meetings" are got up by a few designing, lazy knaves, and a greater number of unthinking, credulous dupes. Look at the Actors-and you will at once perceive the propriety of not attending their meet

The loafers and the knaves may make liquor and plunder out of these meetings-the dupes will make disgrace and regret. Let the peaceable and industrious avoid them carefully save their half dollars to purchase flour for the benefit of their families. If they follow these friendly sugge tions, they will, before the lapse of one month, have much reason to congratulate themselves on the windom of their conduct.

On our first page will be found a short paragraph from the Montreal Transcrpt, and we cannot refrain from expressing our regret that such a respectable paper should give publicity to statements which we feel called upon to designate by the uncourteous epithet of falsehood .-The Transcript must have taken his information either from the British Colonist or from the Spectator. The conductors of these Journals seem to derive some peculiar gratification from representing the country as in a state of " terrible excitement." Whether they expect to advance the interesta of the Province by these false alarms. we cannot say ; but, we can say, that happily is the quiet, industrious dispositions of the Upper Province, that when the few rapacious spirits of Toryiem, which are to be found in every Townlve on producing excitement and a viosh ip, ver

tations.
