THE HURON SIGNAL Is published every Friday Morning, by Mc GILLICUDDY BROS., at their Office, North St (off the Square)

GODERICH, ONTARIO. And is despatched to all.parts of the surrounding country by the earliest mails and trains. By general admission it has a larger circulation than any other newspaper in this part of the country, and is one of the raciest, newsiest and most reliable journals in Ontario Possessing, as it does, the fore-going essentials, and being in addition to the above, a first-class family and fireside paper—it is therefore a most desirable advertising medium.

TERMS.—\$1.50 in advance, postage pre-paid by publishers; \$1.75, if paid before six months; \$2.00 if not so paid. This rule will be strictly enforced.

enforced.

RATES OF ADVERTISING.—Eight cents peone for first insertion; three cents per line for each subsequent insertion. Yearly, half-yearly and quarterly contracts at reduced rates. JOB PRINTING. — We have also a first-class jobbing department in connection, and possessing the most complete out-fit and best facilities for turning out work in Goderich, are prepared to do business in that line at prices that cannot be beaten, and of a quality that cannot be surpassed. — Terms Cash.

FIRST DAY.

The minutes of last meeting were read and approved.

THE WARDEN'S ADDRESS GENTLEMEN. -I have the honor to the improvements and repairs, ordered by you to the Court House, have been kalsomined throughout, and the repairs to the Court room have very materially increased the acoustic properties of the room—so I am informed by those who were present at the last assizes; and the general appearance of the room looks better than it ever did before. The most of our sinking fund has been invested in mortgages, in accordance with your instructions, a statement of which, I have no doubt, the Treasurer will lay before you. The contract for the erection of the new Maitland Bridge, I regret to state, has not even commenced, so far as I now,—not to speak of being completed—notwithstanding our repeatspeech which he delivered at Currie's by you to the Court House, have been carried out. The Court House has been The instructions to Conservative I have no doubt, the Treasurer will lay [Mr. McGillicuddy and Mr. Mitchell, we be lieve, attended the meeting in the interest of their respective papers. They were not "delegates" as, we take it, you understand the term. The Reeve of Brussels, who is chairman of the Brussels railway committee, invited the representatives of the three Goderich papers, and othersto be present. Mayor Horton, Col. Ross. Reeve Johnston, and R. W. McKenzie, being on the municipal and the people's railway committee, were the official representatives from Goderich – Ed.]

GOMMUINICATIONS and kept Mr. Waterman here doing nothing for at least two weeks. On the

nothing for at least two weeks. On the 22nd of September Mr. Jamieson ordered Mr. Waterman to go to Freeport in the County of Waterloo to erect the falsework to an iron bridge he was erections without giving any reason in the county of last sitting were read approved. remonstrated with Mr. Jamieson on his conduct, when he replied that he would send Mr. Waterman back as soon as he meeting of the Countries and other words without knowledge. I suppose expenses incurred in connection with the such a master would not suit you. But if you want a thorough, efficient feacher send Mr. Waterman back as soon as he erected two spans of the falsework to the ordered to be laid on the table. Freeport bridge. We waited from that time to the 14th of Oct., expecting Mr.

The petition of Mr. Brandon and others was read and referred to the Road wastering them, I think I may apply." he will be in a position to inform future correspondents on the subject—whether defunct Goderich Foundry Co., and becorrespondents on the subject—whether they be begin or otherwise

A waterworks agitation was started some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-some months since in Goderich, and at a specific form of the now well-specific form of the now meeting of the Council, a committee of the demand so rapidly increasing for davised Mr. Jamieson of the meeting. Mr. Peter Adamson as trustee of the extending, intimidating, boycotting and this patent plow, there is no doubt but He replied that they were delayed for Goderich High School be accepted, and the demand so rapidly increasing of the Council, a committee of five, consisting of Messrs. Williams, Dancey, Hutchison, McKenzie and Humber, were appointed to look into the matter and report. At a public meeting, held subsequently, the waterworks took second place to the railway agitation, and the above named committee was in structed to do service as a railway committee. At a Comeilmeeting held goom mittee. At a Comeilmeeting held goom mittee, and was further augmented by the adding of Co. Eoss and Messrs, M. C. Cameron and S. Platt. The committee was than S. Platt. The committee was the same of the meeting, the demand so rapidly increased and premises on doubt but facilities for manufacture must soon be greatly increased and premises enlarged and thus we may have at last inour town an important and growing interest of three weeks by the fire destroying their data that Mr. F. Jordam, of the said town of the was for the said town of the report of the said that Mr. F. Jordam, of the said town of the report of the said that Mr. F.
