The Governor and Lady Wil-

liams will hold a Reception at

the Government House on Fri-

Casino Theatre.

Season 1912-1913. A Word About Things to Come.

Scarcely has the novelty of the famous "Colleen Bawn" production died away, when we are greeted with the announcement of some of the new plans in connection with the coming season at the Casino Theatre. Two of the attractions, at least, promise a wide offering of excellent entertain-

ment. The most interesting statement, per-

haps, is the statement that the Klark-Urban Co., popular and familiar with all classes of theatre-goers, are billed for a three weeks engagement, commencing the first week in October. Headed by Harden Klark and dainty Maisie Cecil, and assisted by a large and capable Company, who are almost entirely new to city audiences, we believe their coming will be awaited with interest. The Klark-Urban Co., cannot fail to have a successful season in St. John's.

It will, however, be specially pleas-

ing to know that Manager Kiely has

arranged arrangements with the Young

Adams Company for the January

season, and they will open here on

New Year's night. This Company has

never been seen in this city before, and

their initial appearance will be quite

a gala event. Marie Adams, a clever

actress, of striking personality, and

extensive experience is the leading

lady, and Mr. Young is the leading

man. The troupe are one of the best

stock organizations on the road. They

carry a repertoire of excellent plays,

specially suited to their cast and their

capabilities. They bring with them

special, new and appropriate scenery

for each play, so that it may be said

that every show is a complete pro-

duction. There are also six vaudeville

acts with the Company, so that our

people are assured enjoyable evenings

at high-class dramatic entertainment

and vaudeville.

Other arrangements are at present

in progress for the November and De-

cember season, and it is not unlikely

but that local theatre-goers will have

the pleasure of witnessing one or two

theatrical novelties before the opening

of the Stock Company on New Year's

Night.

In the meantime, the Casino Theatre,

as everyone knows, has been hand-

somely equipped. Its spacious lobby,

with apartments and attention for

ladies and gentlemen, coupled with

cloak-rooms, etc., makes it a most ad-

mirable resort for the evenings when

it is open. A big theatrical season

this year is anticipated.

REID'S BOATS.

The Argyle left Marytown at 6.15

The Clyde left Twillingate at 6.15

Man Killed on Railway.

This morning the Deputy Minister of Justice had a telegram from Ferry-land as follows:—

"Michael Devine, of Renew's, passenger by last night's train from St. John's, while in the act of getting off the cars at Caplin Bay, fell under a car and was instantly killed. The deceased was about 29 years old, and leaves a widow and two children."

The Reid Mtd. Co. and Inspector General Sullivan had messages of a similar import. The deceased was a dealer of the firm of Goodridge & Sons and was a sober, steady man, well liked, and his brother is captain of their coaster the Terra Nova. The body will be sent home to-day for burial.

The Human Frog OR BONELESS WONDER.

An Act That Puzzles the Doctors.

Dare Nicholson, the clever Contortionist, who will open an engagement at Rossley's Star Theatre Monday, Oct. 7th, is a man who has puzzled more physicians than possibly any other living creature. He has exactly the same number of bones in his anatomy as any other human being, and yet most of the medical fraternity claim that it is a physical impossibility for a perfectly formed human being to accomplish what this wonderful man does. Mr. Nicholson is not only perfectly formed, but possesses more than the average amount of good looks, combined with a pleasing personality. Mr. Dare Nicholson has just completed his fifth season with the great Barnum and Bailey Circus, that alone is sufficient guarantee he is an artist of the first water. Dare Nicholson closes his first act with a phenomenal jump off a six foot pedestal with both feet behind his head, this trick when done off a three foot pedestal has cost several men their lives.

Successful Concert.

Despite the rain storm of last night the members of the Holy Name Society attended their rooms in force where they held a most enjoyable concert. Rev. Father Sheehan, Spiritual Director, was present and capital songs were given by Messrs. Jno. Rolis, J. Hanlon, J. Hickey, F. Brown, J. Fitzgerald, and a cornet solo by Master Demsey of the C. C. C. band. A violin solo was rendered by Mr. Morgan and the after piece "Mrs. Kirkland's Money," brought down the house. Another concert will be held shortly.

Fishery Over.

The S. S. Thora which arrived from Battle Harbour states that the fishery is over for the Newfoundland crews there and all are preparing to come home. The "livers" there, however, are still at work and making fair catches.

Here and There.

FIRE ALARM.—At 11.55 to-day an alarm of fire from Box 227 brought the Central and Western firemen to the residence of Messrs. Connors and Whitten to Wickford Court. The roof in the chimney was on fire and it was extinguished with a few buckets of water.

A NARROW ESCAPE.—While a lad named Rd. Norris of Salmonier was looking through the S. S. Wilhelmus to-day a heavy gin block fell from aloft and hit him a glancing blow in the head felling him to the deck. A nasty cut was inflicted and he was treated at P. O'Mara's Pharmacy. Had it hit him squarely on the head it would have dashed out his brains.
