

### You Should Know

the financial status of the Company insuring you. We issue Accident and Health policies and our financial position, incorporated in a 16-page booklet, is open to inspection. Before insuring, it is your duty to ascertain the value of your company, its assets, claims paid, cash capital, surplus, policy holders' protective deposit, etc., and the surest way to get this information is to consult the Blue Book giving official information, by the Dominion Government on all companies operating in Canada. We have a copy open to public perusal.
