## TO-DAY'S MESSAGES.

## STEAMER AIRDALE A TOTAL LOSS

## IN THE ST. LAWRENCE.

QUEBEC, Dec. 7th.

The steamer Airdale went ashore

in the St. Lawrence River on Couder

Island Saturday night when the

pilot, Jules LaChance, mysteriously

disappeared and left the vessel with-

out a guiding hand. The vessel was

enroute to St. John's, N.F., Halifax

and St. John, N.B., for a West Indies

cargo, and will probably be a total

loss.

## HIS MAJESTY MUST SEEK MORE

## SATISFACTORY WINTER CLIMATE.

LONDON, Dec. 7.

King George must take two months'

sea trip every year, according to a de-

cision reached by his physicians. He

declared, his weakened lungs cannot

stand England's winter season with-

out the variety of a trip to a more

suitable climate during the most rig-

orous part of the British winter. It is

understood a new yacht will be built

to accommodate the Royal Family re-

placing the old Victoria and Albert,

which is unsuitable for cruising.

## TAX ON LIQUOR TO HOUSE THE

## DESTITUTE.

KRAVOK, Russia, Dec. 7.

One hundred thousand homeless

children are roaming the Ukraine

streets, twenty thousand being with-

out shelter or food except what they

manage to pick up. A special Govern-

ment Relief Committee recommends a

one per cent. tax on every bottle of

Vodka. The child vagrant problem ex-

tends throughout all populous Rus-

sian areas and is a problem almost

beyond Government resources.

## ROYAL-KENDALL COAL SAVER.

Wise folks look ahead to winter now: this is the time

to buy and install this new coal and labor saving de-

vice. Dozens here have tried it the last two winters

and saved at least one-fourth their coal, and a third

of furnace labor. And prices this year are cheaper

than last year.
