sor Caving.—A French, where he is a long dissertation is that and expecially during surprations. He contends that and crying are two grand operations which nature allays anguish; ase patients who give way to their feeling more speedily recover notidents and operations than those uppose it unworthy a man to betray ymptoms of cowardice as either to cry. He tells of a man who chais pulse from one hundred and to sixty in the course of a few by giving full vent to his emotions, ple are all unhappy about anything amgo into their rooms and commensures with a loud boohoo, and till feel a hundred per cent better ard. In accordance with the above ying of children should not be too r discouraged. If it is systemati-repressed the results may be St. dance, spileptic fits, or some other of the nervous system. What is a lis nearly always useful; and g can be more natural than the of children, when anything occurs we them physical or mental pain, by most persons have experienced cost of tears in relieving great sorting in the properties of the nervous how the feelings wed by their free indulgence in or sighs. Then let parents and show more indulgence to noisy of grief—on the part of the childwell as older persons—and receives and the mouth as the safety through which nature discharges plus steam.

through which nature discharges uplus steam.

MAINS OF THE EAST INDIA COM—The EAST India Company now is, besides the proprietors of stock, harman, five directors, a secretary clark. For the offices in Moorgate, they pay a rent of £250 per anof all the vast territories and shments once in their possession, ow hold nothing, all having been tred to the Imperial Government, the far-famed Oriental Library Municipal stock, and also the serioumlative from their hands. The of Directors now simply hold in its capital stock, and also the serioumlative fund, to wit, £2,000, tedd in 1884 in the funds for the fon of the Company's stock; in, by reinvestment of the provated in 1884 in the funds for the provation of the Company's stock; in, by reinvestment of the provated in the year 1874. The ay then be purchased at £200 or in the province of the intervention, the existence of the intervention of the proprietors of stock, now guaranteed 10½ per cent. The Company receive a grant read a creates. A Court of Directore a month, and a general reprietors twice a year.

It labors.—We are glad to be that this lady has been promised the proprietor of the proprietors of the proprietor of the proprietors of the proprietors of the proprietors of th

portetors twice a year.

LADORS.—We are glad to be that this lady has been promeeling by the Dominion Govald her in bringing out to hundred more young women, on the part of the Government received with much satisfies Rye deserves the encourthe Government. Free of all the country she has already one hundred girls whose serbeen gladly received, of Edingurgh, Scotland, has reflector for a locomotive, by of which the engineer is able ee the rear of his train, the and all who are getting on or t moving from his seat. It need for any length of train changing the angle of reflections.

ormany-Governosship.—The lat-is, that Mr. Howland will assume of Governor of Ontario, and be a Saturday first. It is said that Macdonald will also be in Toron-coasion, and endeavour to smooth milled feathers of Cornwall's noble tive, the irate Premier of Ontario. An Case.—An effort is about to bring this "cause celebre" again aw-courts, upon a Writ of Error. proceeds to Quebec, where his ap-for the necessary "fist" will be fore the Attorney and Solicitor
