Dodd's Kidney Pills Cured the Postmaster's Kidney Disease—Alberta Man Tells How His Troubles Vanished When He Used the Old Reliable Kidney Remedy

Scam, Alta., April 15.—(Special.)—I can now do all my work without pain and with pleasure. These are the words of Postmaster Andrew E. Nelson of this place. As all the postmaster's friends know, he has been troubled with Kidney Disease for several years past, and has been doing everything in his power to find a cure for it. He has found the cure. It is Dodd's Kidney Pills. "Yes, I tried all kinds of medicines for my kidney trouble," the postmaster joyfully states. "None of them seemed to do me any good till I commenced to use Dodd's Kidney Pills. Two boxes of them cured me completely. I highly recommend Dodd's Kidney Pills to all sufferers from Kidney Disease. I would not be without them."

Q. The scope of the investigation?  
A. Yes.  
Q. During the time that you were minister of public works you had full charge of that department, and that department only, is that correct?  
A. Yes.  
Q. You had certain knowledge at certain times of the Alberta and Great Waterways project?  
A. Yes.  
Q. Have you any documents in your possession now that you produce having relation to the railway or matters under investigation here?  
A. I have none excepting what are in already. I have copies of some of the documents that are already in.

Q. Have you brought these with you today?  
A. No.  
Q. I would like you to produce anything that you have.  
A. What I have is simply a copy of a letter that I wrote to Mr. Rutherford, and a telegram that I sent to Mr. Stocks, and a memo that I got from Mr. Chalmers when the first specifications were prepared. I think all are in but that telegram. That is not in.

Q. These three documents you produce?  
A. Yes. I have copies of the specifications that are already in.  
Q. Which are these?  
A. The specifications and agreement in connection with the building of this road.  
Said three documents marked Ex. 15, Q. These are the specifications annexed to the agreement, you say?  
A. Yes sir.

Q. Which are placed on the files of the public works dept. and are already in?  
A. They were never on the public works dept.  
Q. Where are they, in the treasury dept?  
A. Yes.  
Q. If you look through that index you will see it is headed "Various Departments." The documents of which I am bringing here, is this No. 8, I should judge. This is the draft specification for the construction.

Q. That is the G. G. draft specifications. Where is this copy?  
A. It is in my room at the hotel; I can get it.  
Q. We will have you bring it up. Have you had any letters or any copies or documents of any kind?  
A. No.  
Q. Memoranda of any kind relating to these matters?  
A. No.  
Q. Have you made any search?  
A. Yes. I took nothing away from the department.

Q. Have you made any search since you have been required to come here today to find if you have any documents?  
A. Yes.  
Q. And you find nothing except what you have mentioned?  
A. No.  
Q. Have you any knowledge of any documents that were over in your possession before or on the departmental files or that you know of that you are not now in existence?  
A. I have not, sir.

Q. None at all.  
A. No.  
Q. And you can put us on the track of other documents that such as have been produced here by other parties, as well as you now produce, is that correct?  
A. That is correct.  
Q. You know of no documents having been destroyed?  
A. I know of none, no.

**Cross-Examination.**  
Mr. Bennett: Mr. Cushing, I understand you to say that you left the department of public works as minister of public works in February of this year. Did you take any documents with you relating to this matter?  
A. No, only what I have mentioned.  
Q. And they were on the files when you left?  
A. If there were any, I don't know of any.

**Dr. John A. L. Waddell**  
Having affirmed, was examined by Mr. Waddell, and testified as follows:  
Q. Dr. Waddell, you are connected in some way with the Alberta & Great Waterways company?  
A. Chief engineer.  
Q. And also with the Canada West Construction company?  
A. No.  
Q. You have nothing to do with that concern?  
A. No, except that they work for me under my direction.

Q. Does the Canada West Construction company work under your instructions as Chief Engineer of the Alberta & Great Waterways company?  
A. Yes.  
Q. You have been subpoenaed to produce here any documents that you have bearing upon the matter that is being enquired into before this commission?  
A. Yes.  
Q. What have you brought?  
A. I haven't brought with me anything. The whole records of the office are open to the inspection of the gentlemen who are appointed. They called on me and I told them anything I had was at their disposal.

Q. There was something further intimated to you at that time, wasn't it?  
A. Yes.

**Palpitation of the Heart.**  
One of the first danger signals that announce something wrong with the heart is the irregular or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling, or again there may be a most violent beating, with flushings of the skin, and visible pulsations of the arteries.  
There may also be experienced a smothering sensation, gasping for breath, and feeling as though about to die.  
In all such cases the action of Millburn's Heart and Nerve Pills in quieting the heart and restoring it to its normal beat, is beyond all question a reliable one. Our thousands of testimonials will show.

Mr. Martha Mason, Marlbank, Ont., writes:—Just a few lines to let you know what Millburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart, would have several sickening spells and could scarcely lie down at all. I tried many remedies but got none to answer my case like your pills. I have recommended them highly to all with heart or nerve trouble.  
Price, 50 cents per box, or 8 boxes for \$1.25 at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.
