My Life Saved—Nine Years a Dys-reptic and Sufferer of Liver Com-plaint—Three Bottles Royal Crown Remedy Effected a Complete Cure
-Now Twelve Years and no Symptom of Return of the Disease-Read for Yourself Mrs. James' Words:

London, Aug. 30, 1889.

It is not only a pleasure but a duty I owe to you and the suffering world that I add my testimony with the many you have already received. Royal Crown Remedy cannot be too highly praised; it has saved my life. For nine years I suffered extremely with Dyspepsia and Liver Complaint and could not retain anything at all onmy stomach without excessive vomiting. Erysipelas set in, which confined me to my bed. Doctors could do me no good. I also tried many other plans with no success. I was induced by Mr. Issac Williams to try his medicine, which I did after much persuading. Three bottles completely cured me and for twelve years I had no symptons of return. Your medicine is worthy of praise. I advise all suffering humanity to try it for it is the best. It should be used until the cure is complete.

Christian Associations will be held in London, Eng., June 1 to 6, when it is expected that over 2,000 delegates will be present. On Wednesday, June 6, the Young Men's Christian Association will be 50 years old. The founder, Mr. George Williams, still lives to see the fruit of his labor. There are at present 5,158 associations scattered throughout the world, with a membership of 467,515-truly a vast army enlisted in definite work for young men. Tuesday, June 5, a special service will be held in St. Paul's Cathedral, conducted by the Lord Bishop of Ripon. The corporation of London intend giving the delegates a reception at Guildhall at a cost not to exceed \$5,000. The meetings will be held in Royal Albert Hall and will be of worldwide interest. It is hoped that the agreesive Christian effort on behalf of young men throughout the world may be redoubled. It is more than likely that the local association will be represented and some suitable commemoration of the event

will be held in this city. The men's popular meeting at Victoria Hall Sunday afternoon was attended by an audience of about 200, who listened to a magnificent address by Rev. J. W. Bell, B.D. of Hamilton, on "The Power of Unconscious Influence." The reverend gentleman pressed the truth on his hearers by means of many apt illustrations, told as only he can tell them, and closed with a tender appeal to the men present to get tuned by coming into touch with Jesus Christ, and so be able to influence their companions Godward. The Crusaders, composed of Messrs. H. H. and B. Rines, with Miss Jessie Rines, sang a number of selections in splendid voice, and added much to the power of the meeting. Their sweet voices told out the gospel story in a very effective way. The popularity of these meetings seems to be on the increase, notwithstanding the fine weather,
