WEEKLY REVIEW.

Receipts of grain were small this week, but probably quite equal to the same week a year ago.

Farmers all around the city are busy haying and cutting wheat, General reports are quite satisfactory for both, the crop being quite heavy. Of course, wheat yields are only estimates, but it will only be a few weeks now until we know how these estimates turn out. main the same as a week ago, oats losing a snade lower, if anything.

The butter market has been quite tetive and prices are much birds. Prices here for all kinds of grain remain the same as a week ago, oats active, and prices are much higher. Crocks sold on Tuesday at 16c, and pound rolls at 17c to 18c wholesale.

Chickens, ducks and turkeys sold 45 colored at 7 15-16c. lower. The supply was no bigger than usual, but the demand was smaller.

Hides have sold at 1/2c per pound ;

Wool was active, at 19c for No. 1. s now centered in raspberries and nsiderably and are now selling at

The rest of the fruits are much cline in butter beans, new potatoes, cabbage and cucumbers, and an adance in good peas. New hay has sold remarkably well;

Kincardine, Ont., July 21.—Yesterday afternoon Robert McVittie, of Toronto, a lad of 12 or 14 years of age, was drowned in the harbor here. He, in mpany with a number of lads of his wn age, were playing on a boat, when he slipped and fell in the water. His companions heard the splash, but did not see him fall, nor did they see him rise again. The body was recovered after being in the water about an

A DINNER PILL.—Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment, it becomes a poison to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, den the secretions and convert the food partaken of into healthy nutriment. They are just the medicine to take if trou-

bled with Indigestion or Dyspepsia. Prof. Dorenwend Coming. With the latest inventions in hair coverings. Prof. Dorenwend is about cov expected.
