A Sheaf of Music.

A sheaf of new music from the lists of Chappell & Co. Limited, has been received. Three songs by Teresa del Riego, one each of Hamish McCann's and Lambert's, and piano pieces by Edward German and Paul Kalkbrenner. "Happy Song" (by del Riego) had a prize of the (London) Dry Throat Society. "The Red Marines" march, by Edward German, the former is already well known; the latter is an excellent composition for teaching in that it is popular in character, to the extent of interest even the uninitiated public, while it is sufficiently good to interest the taste of those who play or hear it.

The above, together with a typical French waltz-song by Lambert, form a group of songs and pieces of special value to all who use or enjoy solid, up-to-date music.

TO EXTEND CALL

TO MR. SHIELDS

Hamilton Man Will Be Asked

To Succeed the Rev. T. S. Johnson.

At the close of the morning service

at the Adelaide Street Baptist Church, yesterday, a meeting of the members was held, at which a proposal to give Rev. T. S. Shields, of Hamilton, a call to the pastorate, was carried by practically a unanimous vote. Mr. Shields is at present in London, and will be communicated with at once. It is the general impression that he will accept the call. Rev. Mr. Shields is a man of high personality, a deep thinker and a fluent speaker. He would prove a valuable addition to London's force of talented ministers.

Rev. R. McKay, B. A., of Bran-

ford, who conducted the services in the church yesterday, preached two excellent sermons. "The Church's Possessions" was the morning theme, based on Paul's words: "What hast thou, that thou dost not receive?" The preacher's theme in the evening was "The Basis of Love for Christ"—"Whom having not seen ye love."

Mr. George Jarman presided at the First Methodist Church organ yesterday.

GENUINE

HUCKLEBERRIES.

Do you know the difference between huckleberries and blueberries. Huckleberries are heavy, clean, dry fruit, and have a fine, rich flavor, while blueberries are lighter in weight and are a much softer berry.

As genuine huckleberries are very scarce we have made arrangements to get the rare crop of the best huckleberry patch in Western Ontario.

This fruit is expressed to us a few hours after it is picked, so that you can rely on getting freshly-picked fruit.

If you want some of this fruit let us know soon, as the crop this year is not large.

MARLBOROUGH RASPBERRIES.

The largest, cleanest and best-flavored berries grown.
