The election in the county of Restigouche is over, In many respects it has been a remarkable one. Seidom has such an orderly and quiec crowd of voters exercised their franchise, and the keenest partisan did not expect such a thundering majority as was rolled up for James Reid. He had a majority in every district but one, even beating his opponent in his own town Dalhousie. We are satisfied and the electors have given isfied and the electors have given their assent in no uncertain manner for the return of Mr. Reid and we can now settle down to our inwe can now settle down to our interrupted avocations and shake

SIGNS OF THE TIMES

From time to time we hear and read of the progress of Resignoch county, and for tangible proof o county, and for tangible proof of this we have to look to the International Railway which is steadily going forward. Business is booming all along the line, freight, and passenger traffic having increased over 100 per cent within a very short period. The business of the railway is expanding daily, and vast improvements and extensions are projected in the near future.

Every Other Treatment Failed But "Fruit-a-tives" Cures

Grande Lione, Que, Jan. 2nd, 1980.

"My wife was greatly distressed for three years with chronic Eczema on the hands, and the disease was so severethat it almost prevented her from using her hands. The doctor gave her several ointments to use, but none of them did any good. He also advised her to wear rubber gloves and she wore out three pairs wicknet setting any benefit. As a last resort, I persuaded her to try "Fruit-a-tives", and the effect was marvellous. Not only did "Fruit-a-tives" and the effect was marvellous. Not only did "Fruit-a-tives" will always ture.
