#### Twelve-Cent Loaf Is Eight Cents in Hamilton

CHATHAM, Sept. 30.—A local citizen, interested in Chatham and the welfare of her citizens returns from Hamilton with the information that bread is being sold in that city for eight cents a loaf. In passing along the streets in Hamilton, he said, he saw advertisements in the window of the shops quoting bread at eight cents a loaf when the price for the same sized loaf in Chatham is 12 cents.

The matter is being brought to the attention of the conservation committee of the City Council, and it is likely that it will provoke an interesting discussion at the council meeting on Monday evening. It is also represented that in many cities the same size as Chatham bread is selling for 10 and 11 cents a loaf, and some effort may be made to investigate the local price, and see if it not possible to have it reduced.

#### SAYS LIFE THREATENED.

Herbert Mann, who lives on the 4th eastward, Raleigh township, gave damaging evidence against Harry Boulton in the county police court this morning when he stated that Boulton and a companion, both intoxicated, saw him in a motor car last July and pulled a gun and threatened his life, because he got too curious to see what Boulton's car contained. Boulton is charged with carrying a concealed weapon, and the case was not concluded this morning.

Mrs. M. G. Thrush, of Morpeth, has brought a case of assault against O. Coll, of the same place. Coll boards in the hotel, which is run by Mrs. Thrush's mother. It was claimed that Coll had liquor in his room and on this account a charge will be laid against him of possessing liquor illegally. Mrs. Thrush is also bringing a charge of non-support against her husband, who boards at the same hotel and has supervision over the pool room, managed in connection with the establishment.

#### TOBACCO GROWERS MEET.

At a very successful meeting of the Tobacco Growers Association, held in Harrison Hall last evening, Kingsley Coghill, manager of the Kingsville Tobacco Co-operative Company, gave a fine address in which he pointed to the need of more interest being shown by the farmers in this co-operative movement. There were about 30 or 40 growers at the meeting and the address was listened to with a great deal of attention and interest. Mr. Coghill's

object in coming to Chatham was to get all of the tobacco growers interested in the co-operative company. Arthur Gray, of Wallaceburg, formerly of this city, fractured his right hip yesterday by falling out of an apple tree on the farm of Alf Smith, River road, Chatham Township. He was removed to the Public General Hospital for treatment. Gray was picking apples at the time when, in some manner, he slipped and fell heavily to the ground.

On Monday evening at St. Andrew's Church manse, the marriage was quietly solemnized by Mr. Josiah Chesman and Miss Helen Hazel Smith, both of Blenheim. Rev. A. S. Orton performed the ceremony and there were no attendants. The young couple will reside in Blenheim.

#### TENDERS FOR SUPPLIES.

The property committee of the County Council held a meeting in Harrison Hall yesterday afternoon for the purpose of awarding the tenders for supplies for the jail during the coming year, which begins on October 1. This is the second time this year that tenders for these supplies have been received. At a previous meeting the council considered that the tenders were too high and new bids were called for and considered yesterday. The tender for meat was given to W. J. Easton, of this city; for groceries, Harry Andrew, and for bread, E. R. Young.
