OBITUARY

Ellen, wife of Eugene Burr, died at her home, 408 De-witt st., South, Bay City, Mich., on Thursday afternoon, July 17th, after a long illness from a complication of diseases. She was a daughter of the late John and Sarah Rogers and will be remembered by many of the older residents of Watford and Warwick. She was born near Picton, Prince Edward County, Ont., in 1849. When a young girl she came west with her parents who located at Warwick Village. In 1872 she was married to Eugene Burr, of Plymouth, Mich., by Rev. Hicks, at Watford. They located at Bay City on the west side of the river which was then called Wenona. Here they have resided since continuously. Besides her husband she leaves two sons, Roger, of Jackson, and Allen of

Owosso, Mich.; one daughter, Mrs. Lorn D. Sheets, of Bay City, and two brothers, Joseph W. Rogers, Bay City, and David Rogers, Rouleau, Sask.

An impressive service was held at the home on Saturday afternoon by Rev. G. V. Hoard of the First M. E. Church. Interment at Oak Ridge Cemetery.

Orlo Dent, of Bothwell, met with a serious accident Monday evening. He had been shocking wheat at Mr. Wellington Marcus', Orford, all day, and in the evening went up into the loft to throw down some straw for the horses, and accidentally fell through a man hole, which was covered with straw, to the ground floor, breaking his arm near the wrist.

CHOLERA INFANTUM

Cholera infantum is one of the fatal ailments of childhood. It is a trouble that comes on suddenly, especially during the summer months and unless prompt action is taken the little one may soon be beyond aid. Baby's Own Tablets are an ideal medicine in warding off this trouble. They regulate the bowels and sweeten the stomach and thus prevent all the dreaded summer complaints. They are an absolutely safe medicine being guaranteed by a government analyst to contain no opiates or narcotics or other harmful drugs. They cannot possibly do harm—they always do good. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Presentation to Capt. Ernest Showler

A number of friends of Capt. Ernest Showler gathered at the home of Mr. and Mrs. Frank Lucas and completely surprised him.

Capt. Showler enlisted in the 149 Battalion in the fall of 1915 and after having remained with that battalion for a year, left in order to get to the front sooner and sailed for overseas. In England he took a course in bombing but a little later joined the Royal Flying Corps as a Lieutenant but after service at the front was promoted to Captain. He went to the front in the spring of the next year and remained there until the signing of the armistice.

During the evening an excellent program was given, Mr. Robert Henderson filling the chair in his usual able manner. Capt. Showler was called on and in a very pleasing manner told of some of his thrilling experiences over the lines, of the great help the Canadians had given their boys at the front, and lastly, how proud these boys were of their land of birth.

To Capt. E. E. Showler—We, your many boyhood associates and friends have gathered here to-night to do you honor and welcome you home again from your perils o'er the sea. We honor you for the manly stand you have taken throughout the course of the war, forsaking self and encountering hardships and dangers for King and Country. Your bravery is and has been above reproach, for by hard work and persevering zeal you have risen in the ranks and so thoroughly performed every innumerable task that war imposed on you that you have made an honorable name, not for yourself alone but also for your country. Your safety has ever been our utmost in our minds and we are delighted to welcome you home again whole in body and limb. When danger thickened around you over there, our prayers for your safety were answered and our longing thoughts of you must surely have reached and buoyed you up in the fight.

As slight tokens of our appreciation of your noble services in our behalf, we present you these souvenirs of our ever enduring friendship and esteem, may they to you prove useful and convenient and in after years when time has effaced many of present relations, may they recall to you your many friends here on the tenth. Signed on behalf of your many friends,
 EDNA PEASELY
 EVA JOHNSTON

Later in the evening Miss Edna Peasley presented him with a club bag, signet ring and gold cuff-links while Miss Eva Johnston read the address.

Capt. Showler thanked his many friends for these useful gifts but his reply was checked by the singing of "For He's a Jolly Good Fellow."

The ladies then served a dainty lunch and after singing the National Anthem they departed to their homes all satisfied with the success of the evening.

Brienne-le Chateau.

Brienne-le Chateau, the little French town where Napoleon received his military education, celebrates this year the one hundred and fifth anniversary of the emperor's last visit to the village. It was on January 29, 1814, that Napoleon began his campaign against the Allies, who were storming at all the borders of France. At Brienne, where he had been taught the grim science of warfare, he attempted to cut the Silesian Army in two by suddenly interposing his forces between those of Schwartzenberg and Bleucher, the object being to prevent their uniting. Almost on the same spot and on the same day Napoleon had a hairbreadth escape from the attack of a Cossack who attempted to murder him. It was only the prompt assistance of Gougoud that saved Napoleon.
