A Practical Present

THE spirit of Christmas giving finds practical expression in an O-Cedar Polish Mop. A gift she will use at least three hundred days in the year. A gift she will appreciate because it banishes the back-breaking bending of old-time housekeeping methods. The Mop, round or triangle shape, \$1.50. The Polish, in 25c to \$3.00 sizes.

O-Cedar Polish Mop

Most women use O-Cedar Polish for fine furniture—they would not dream of trying to keep house without these two useful household helps. O-Cedar Polish removes every speck of dust and imparts to the surface a hard, dry, lustrous finish.

Miss Lena Temple of Watford spent a few days the guest of Miss Roberta Richardson.

The death of Mrs. John Richardson one of Kerwood's best known and dearly loved residents, took place at her home on Friday, after an illness of a little over a month. The deceased, who was in her 76th year, had been a resident of the vicinity all her life. She leaves to mourn her loss her aged husband, four sons and three daughters, namely William George and Henry of Alberta; Alfred and Mrs. W. Waltham of B.C.; John of Petrolia; Mrs. Bourne of Alvinston and Mrs. Johnston of Kerwood, and one daughter, Mrs. Thos. Freer, who predeceased her two

in Watford.

The members and friends of the Women's Institute are requested to meet in Kerwood at the home of Mrs. Howard McLean on Wednesday afternoon, Dec. 19th. Mrs. Brunt and Mrs. Chittick have arranged a delightful musical program and Mrs. Rogers will give a talk on "Woman as a School Trustee. Do we need Her?" Roll call will be answered by "Beautiful thoughts from Poetry." All members are asked to bring a sample of their favorite home made candy, which will be arranged in boxes and sent to any sick and elderly folk. Lunch will be served at the close by Miss Ella McMahon, Mrs. Gilbert Dowding, Mrs. deGex and Mrs. George Freer. As this is the last meeting before Christmas all members are urged to attend. Visitors are always welcome.

Shipments of sugar beets so far this season via C.N.R. from Glencoe to the Dominion Sugar Bee Company, Chatham, amount to 750 tons and it is estimated that there are 125 tons yet to be shipped, which will make 875 tons, the product of 100 acres. In addition large shipments are being made at North Glencoe, Walkers and Appin by the beet growers of this section. The average yield per acre is upwards of 8 tons, which is better than was anticipated in view of the unusually dry summer.
