## THE INFALLIBLE REMEDY!!!

### Holloway's Ointment.

ERYSIPELAS of eight years cured! Copy of a Letter from Geo. Sinclair, Esq. of Paris, Canada, dated the 18th July, 1854.

To Professor Holloway.

Sir—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which afflicted me both night and day, rendering it a misery to me, as well as to all around me—so severe was the attack—I used several repeated remedies, without deriving the least benefit, and in great mystery. At last I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I felt considerably better; in three months, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully, (Signed) GEO. SINCLAIR.

LLERS in the Leg.—Remarkable Cure.

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 16th May, 1854.

To Professor Holloway.

Sir—My sister, Mrs. Jane Tomkinson, suffered for a great number of years from a bad leg, to which there were several deep-seated and old ulcers, deriving the skill of some of the most eminent of the medical faculty, a variety of remedies were also used unavailingly; and it seemed to me that there was not anything capable of mending the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obdt. Servt (Signed) EDWARD TOMKINSON.

### A BAD BREAST CURED WHEN AT DEATH'S DOOR!!!

Copy of a Letter from Mr. Henry Maiden of Three Rivers, Canada West dated the 9th, 1854.

To Professor Holloway.

Sir—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and strategies I tried were of no avail; then, but assumed to respect more thoughtful than before, and horrible to behold. As a last resource I tried your ointment and pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected.

I am, Sir, your truly, (Signed) HENRY MAIDEN.

The Pills should be used conjointly with the Ointment in most of the following cases:

## AYER'S PILLS.

A new and singularly successful remedy for the cure of all biliousness, Constipation, Indigestion, Jaundice, Dropsy, Rheumatism, Fever, Gout, Humors, Nervousness, Irritability, Inflammation, Headache, Pains in the Breast, Side, Back, and Limbs, Female complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is more or less required, and such a medicine as suffering might be prevented, if a harmless and efficient Cathartic were more freely used. No person can feel well while a constipated habit of body prevails; biliousness generates various and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This delicate skill to meet that demand. An extensive trial of its virtues by the doctors, Professors, and Publics, has shown it to be a perfect remedy for all the above named ailments. Cures have been effected beyond belief, where they had not been anticipated by persons of such exalted position and character as to forbid the suspicion of fraud.

Among the eminent gentlemen to whom we are allowed to refer for these facts, are:—Prof. J. A. HAYES, M.D., the distinguished Surgeon of New York City.

Dr. A. A. HAYES, Practical Chemist of the Port of Boston, and Geologist for the State of Massachusetts.

Dr. J. L. MOORE, M.D., an eminent Surgeon and Physician, of the City of Lowell, who has long used them in his extensive practice.

Dr. C. C. STURTEVANT, Esq., one of the first men in New York City.

Dr. A. DAVIS, M.D., Superintendent of the United States Marine Hospital at Chelsea, Mass.

Dr. J. C. STURTEVANT, Esq., one of the first men in New York City.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of drugs, but of the most delicate and purest of vegetable remedies, extracted by chemical processes, in a state of purity and combined together in such a manner as to insure the best results. A system of composition for medicines has been found in the Cherry Pectoral and Pills both, to produce a pure and powerful remedy, and the Pills a more powerful antidote to disease than any other medicine known to the world.

It is frequently excellent that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formula by which both my Pectoral and Pills are made to the whole body of Physicians in the United States and British American Provinces. If however there should be any one who has not received them, they will be promptly forwarded by mail to his address.

Of all the Patent Medicines that are offered, how few would be taken if their composition was known! Their life consists in their mystery. I have no secrets.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their anticipations were more than realized by their effects upon trial.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting wherever they exist such dangerous causes as are the best origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the Box.

## FRIEND OF THE CANADIAN HOLLOWAY'S PILLS.

Extraordinary Cure of Asthma!!! of an old Lady, seventy-five years of age.

Copy of a Letter from Mr. Thomas Weston, (Book Store) Toronto, dated the 9th October, 1854.

To Professor Holloway.

Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I bought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did, the result was marvellous; by slow degrees my mother became better, and after persevering with your remedies for three weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old.

I remain, Sir, your obliged, (Signed) THOMAS WESTON.

Remarkable Cure of Dropsy!! after being tapped three times.

Copy of a Letter from Anthony Smith, Esq. Halifax, Nova Scotia, dated the 25th August, 1854.

To Professor Holloway.

Sir—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; I was tapped three times, and finally given up by the doctors; having become as weak as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours, sincerely, (Signed) ANTHONY SMITH.

Amazing Cure of General Debility and Liver Complaint!!!

Copy of a Letter from William Reeves, of Charlottetown, Prince Edward's Island, dated 17th Nov. 1854.

To Professor Holloway.

Sir—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks I was cured, after every other means failed, to the astonishment of my neighbors, acquaintances, and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain, Sir, your humble servant, (Signed) WILLIAM REEVES.
