Cement Walks Cracked with the Heat

About 12 o'clock on Sunday the folks in the vicinity of the Grand Central hotel were startled by a loud report of an explosion, and upon investigation it was found that the cement walk in front of the stable had been cracked entirely across, the heat having caused it to expand, creating an upheaval of about six inches in height. This is something that very seldom happens.

BASE BALL

A Combination of hard luck and hard decisions lose another Game for Berlin

The Berlin ball team went to Hesper on Saturday to win, and they certainly would have carried their intention into effect, had they not encountered a streak of hard luck. As was expected, the boys were "soaked" with "way off" decisions, whether on account of incompetency or with intention, is hard to say. When decisions are taken back after being protested against, shows want of courage to stand by what he thinks. The trick that turned the tide was when Hesper had the bases full, and Bepayne smashed out a home run, clearing the bases and scoring four runs. The Hesper boys will play here on Saturday when our boys will turn the tables on them.

The following score tells the tale:

A Narrow Escape

About 8:45 this morning Judge Chisholm had a narrow escape from a big run over and trampled upon. He was going over the crossing from the Walper to the Bank of Hamilton when a butcher's delivery cart, driven by a young man, coming down Queen St. south came within an ace of knocking him down. As it was, in his efforts to get away, the Judge fell, but was not seriously injured.

Death of A. Utch

Mr. Ad Utch of Berlin, a young barker maker aged 25 years, died in Woodstock of consumption on Sunday afternoon at 5 p.m. He had been employed at Mr. W. S. Russell's for some time, but taking ill he went to Woodstock to recuperate. The dread disease made great headway and he succumbed to its ravages on Sunday in the Woodstock hospital. He was a faithful attendant of St. Peter's church and highly esteemed by his employer and fellow employees. His remains are to be conveyed to Preston tomorrow morning and interred at 10 a.m. in the Preston cemetery. All friends, fellow-employees and acquaintances are requested to accept this intimation.

First Foot Ball DEFEAT.

The Riverides Win the First Victory from the W. F. A. Champions

The Berlin football team, the champions of the W. F. A., met the Riverides, the winners in the Toronto City League, in an exhibition game at Victoria Park on Saturday afternoon, and the best team won handily by the score of 3 to 0. The victors are a slightly heavier aggregation of kickers than the locals, and possess plenty of science, speed and energy. The record of our boys shows that they certainly possess the first two qualities, but in energy and snap they were greatly deficient in Saturday's game. But three hard games in about a week is sufficient to put a damper on the most enthusiastic kicker that ever donned a jersey. After the first ten minutes' play it was seen that unless the Berlin team would improve in their play they would be outclassed, and the sport they needed never came. The forward line especially did not put up the game their supporters would have liked to have seen, as they wouldn't follow up the ball, and when the sphere was sent out to the wing they were conspicuous by their absence, the ball generally falling into the hands of the enemy. Their wings undertook each other perfectly and put up a neat, snappy game throughout. Their backs had not much work to do but were generally on hand when needed.
For the home team, Sims in goal made numerous beautiful stops, indeed, had it not been for his agility the score might have been doubled. D. Brown worked hard all the time, never letting up in playing to win, "Johnny" Gibson, though being far from able to play on account of injuries sustained in the game with Ingersoll in P. C. worked like a hero, and was hard to pass. A. Russell also played a uniform game and received good support from the half backs. But the defense can't play a scoring game, and as the forwards didn't seem to care, the game naturally went the other way. It was 3:30 when the teams lined up as follows, and referee Fred Sheppard gave the signal.

Referee—Mr. Fred Sheppard.
Berlin scored the kick off, the ball was sent to Fred Behmer, but Snell, the visitor's large goal keeper, saved nicely. Kramer next secured a try and the ball went wide. The rubber was taken up the field, past our defence, and a goal seemed inevitable. But Sims was right on hand and relieved, a foul was claimed by Berlin near the centre, Gibson shot but no score resulted. Berlin however securing a corner kick. The ball was dropped directly in front of goal, but in the shot it struck the upper cross bar and glanced off. From this on the Riverides made an aggressive attack on the Berlin citadel, but for a long time they couldn't get near, thanks to the work of our defence line. Finally a shot was made, Sims stopped it but the ball was scrimmaged through, giving the visitors the first point, the score remaining thus at half time. In the second half the visitors had it easier, scoring two more points, winning by a score of 3 to 0. If our boys are fresh and play the game they are capable of playing, we believe they will turn the tables when they meet in a return match.
