ANHOOD

How Lost, How Restored We have recently published a new edition of .Dr. Culverwell's Celebrated Essay on the radical and permanent cure (without medicine] of Nervous Debility, Mental and

Physicial Incapacity, Impediments to Mar-riage, etc., resulting from excesses. AT Price, in a sealed envelope, only 4 cents, or two postage stamps.

The celebrated author in this admirable Essay, clearly demonstrates, from thirty years' necessful practice, that alarming consequences may be radically cured without the use of the knife; pointing out a mode of cure means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of

every youth and every man in the land.

Address, The Culverwell Medical Co., 41 Ann St., New York. Post Office Box, 450.
