Apple Growers' Meeting at Kentville.

DELEGATES TO OTTAWA APPOINTED. A thoroughly representative meeting of our farmers and fruit growers gathered in the Town Hall at Kentgathered in the Town Hall at Kentville on Saturday, the 8th inst., to appoint delegates to go to Ottawa to confer with the government and induce them, if possible, to grant a subsidy to the C. P. R. steamers to call at Halifax. The gathering was call at Halifax. The gathering was
made up of representatives of the
Executive of the Kings Co. Board of
Trade, the Nova Scotia Fruit Growers' Association, and the Annapolis
Co. Farmers' Association. A full
room gave evidence of the deep interest taken.

The position of the transportation
meeting is somewhat complicated

The position of the transportation question is somewhat complicated by the fact that the C. P. R. boats can only come to Halifax six months of the year. The mercantile trade of the country demands a continuous service, so that the government has to provide another line outside the C. P. R. to provide another line outside the C. P. R.

The contract has heretofore fallen to the Furness-Withy Co. It is the desire of the fruit men to secure the competition of the C. P. R., if pospossible, for the sake of improving the service, To meet the objection of the C. P. R. boats coming to Hallfax only part of the year, that company offers to carry the fruit at any time via Montreal at 85 cents per bbl. from Kentville, which is really as low as rates paid to other lines with the prospect of a more efficient service. The delegates appointed to go to Ottawa were W. M. Christie, Windsor; H. H. Wickwire, Kentville; Peter Innis, Kentville; and R. J. Messenger, Bridgetown.
