

THE
Acadian Scientist,

DEVOTED TO THE INTERESTS OF

THE ACADIAN SCIENCE CLUB, TEACHERS AND NATURALISTS.

The Acadian Science Club,

A CANADIAN NATURAL SCIENCE ASSOCIATION.

This Society aims to awaken and foster a more general interest in Scientific knowledge, to induce young men and young women to engage in systematic study at home, and to afford its members the means for mutual assistance in the pleasing and ennobling study of Nature's works. All efforts used to make the connection of students with the Club pleasant and profitable.

A Course of Study has been arranged extending over three years, and including the following subjects: Physiology, Geology, Botany, Natural Philosophy, Astronomy, Chemistry, Zoology and Mineralogy.

The Officers of the Club are a President, Secretary, and a Board of Directors, consisting of thirteen active Naturalists. Instruction is given members by means of private correspondence and by monthly publications in the SCIENTIST. The members report at the end of each term; yearly examinations are held at the Students' homes, and at the end of the course certificates are given showing standing, etc. Annual fee, 50c. Course of Study and full information sent upon application to the Secretary.
