

For Christmas and Holiday Trade, buy your
Gloves put up like this.

FOR A LONG LIFE

and a Bright One

USE

ACETYLENE GAS

Don't buy a machine that looks like a churn, tub or merry-go-round.

Buy an acetylene plant you may well be proud of.

We make the widest range of acetylene plants in Canada.

Send for illustrated catalogue.

The Acetylene Mfg. Co. of London, Limited

CAPITAL, \$500,000.
