ACADIAN TELEGRAPH.

THE Subscriber thanks those persons who have already patronised his attempt at establishing a weekly paper, in which Reports of Public Proceedings should form a regular and prominent feature. His temporary discontinuance has caused additional support, and expressions of good wishes, for which he feels very grateful. He will re-commence issuing the Telegraph on the first week in January, and hopes, that, a further addition of names made to his list, up to that period, will enable him to renew his labours with increased confidence.

He has been much gratified at the opinion respecting the numbers of the Telegraph which have appeared; and will make such improvements as circumstances will warrant, and experience suggest.
