DOES IT PAY?

To insure in the Canada Life? In 1851 Sir Oliver Mowat took out a \$4,000 policy with a premium of \$94.34 per annum, the profits being used as an annuity to reduce the premium. Since 1885 the premium has been entirely extinguished by profits, and Sir Oliver is besides now in receipt of \$144.70. It pays to insure in the Canada Life.
