"WE must draw the line somewhere," said the vigilance committee to the horse thief.

SAID a small boy: "Ma, make Bob behave himself. Every time I hit him with the hammer he hollers."

"MISFORTUNES never come singly," remarked Jones, when a young man sat down to play his own accompaniment to a song.

ONE DOLLAR AGAINST FIVE HUNDRED. —Isaac Brown, of Bothwell, Ont., was afflicted with chronic humours in the blood. He says one dollar bottle of Burdock Blood Bitters was worth more than \$500 paid for other medicines. It is a reliable blood purifier.

IN order to distinguish one from the other, the dinner plates must be made smaller or the fashionable button affected by the ladies must be slightly enlarged.

A YANKEE, describing a lean opponent, says: "I tell you what, sir, that man don't amount to a sum in arithmetic; add him up and there's nothing to carry."

THE village editor wrote that the railroad magnate was "a man of unbounded capacity"; but when he saw it printed in the paper "a man of unbounded rapacity," he concluded not to send around a marked copy and ask for a pass.

A PLEASING DUTY.—"I feel it my duty to say," writes John Borton, of Desert, P. Q., "that Burdock Blood Bitters cured my wife of liver complaint, from which she had been a chronic sufferer. Her distressing, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

AT last we know why "uneasy lies the head that wears a crown." A newly arrived chiropractitioner from the old country announces himself as late corn-doctor to the court of Germany, and tells us he has removed corns from several of the crowned heads of Europe.

EUGENIA (to Fogle): "Dear me, Mr. Fogle, you're such a help to one reading the current literature. I want your aid again. In the missionary society's report I find the words *bonum est*. Now, what do they mean?" Fogle (confidently): "It's Cannibal Islander for 'young and juicy.'"

"WHAT names will you call them?" inquired the minister of a coloured mother of twins. "Cherubim and Seraphim," replied their mother. "Why?" he asked, in astonishment. "Because," she replied, "de pra'r book says, 'de cherubim and seraphim continually do cry,' an' dese yere chil'en do nuffin' else."

## In Sea-sickness.

Prof. ADOLPH OTT, New York, says: "I used it for sea-sickness, during an ocean passage. In most of the cases the violent symptoms which characterize that disease yielded, and gave way to a healthful action of the functions impaired."

"My dear, I do not wish to appear stingy, but don't you think \$20 is pretty steep for a mere bunch of ribbon and feathers called a bonnet?" Young wife (throwing a thick package of pool tickets on the table): "Don't you think \$5 apiece is rather an extravagant price to pay for these?" Total eclipse of young husband.

A COUNTRY minister who, in addition to his clerical duties, followed the profession of a photographer, was called upon to perform the marriage ceremony. "Now, then, young man," he said to the groom, who was nervous and excited, as all grooms ought to be, "just keep your eye on that crack in the wall, and try and look pleasant."

A DOUBLE BENEFIT.—Harry Ricardo, of Toronto, certifies to the benefits received from the use of Hagar's Yellow Oil as a cure for rheumatism and deafness, his affliction with these combined troubles being a severe one.

"DOCTOR," said the grateful patient, seizing the physician's hand, "I shall never forget that to you I owe my life." "You exaggerate," said the doctor mildly. "You only owe me for the fifteen visits. That is the point which I hope you will not fail to remember."

## CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noves, 149 Power's Block, Rochester, N.Y.

## DYSPEPSIA and INDIGESTION

Are very prevalent in America, and it is not a matter to be wondered at that it is so. The American people eat a great deal of Bread. Much of the bread, while light and attractive in appearance, is injurious, because of the inferior elements used in the yeast.

## PROSPECTUS

OF THE

## TORONTO &amp; LORNE PARK

## SUMMER RESORT COMPANY,

(LIMITED.)

Capital, - \$50,000

IN 2,500 SHARES OF \$20 EACH.

No Subscription for Stock will be considered binding, and no call will be made until \$20,000 is subscribed, when 20 per cent. will be payable.

## OBJECT.

This Company is to be formed for the purpose of acquiring the property known as Lorne Park, and making it a first-class summer resort.

The property consists of 75 acres of elevated woodland, and commands a splendid view of Lake Ontario. It is 14 miles from Toronto and 26 from Hamilton; it is equally accessible by rail or water, and is one of the healthiest places in Ontario. The G.T.R. track runs within 300 yards of the Park gate, and there is a substantial wharf on the lake front of the grounds. There is also a hotel on the premises, with 12 good bedrooms, large dining, ice cream and lunch rooms, kitchen and servant's apartments, bowling alley, ice-house, etc.; two open-air pavilions for the accommodation of picnic and other gatherings.

It is proposed to fit up the Hotel for the accommodation of summer boarders, and run it on the European plan, so that persons occupying cottages or tents on the grounds need not have the trouble of cooking their own meals, but pay for what they get. NO INTOXICATING LIQUOR of any kind will be allowed to be sold on the Property, or on the Steamboats plying between the Park and the City.

Power will be asked for in the charter to own, or charter, and run one or more first-class steamboats, which will run to and from Toronto at regular hours daily through the season (Sundays excepted).

A morning and evening train service will also be arranged. SHAREHOLDERS WILL BE ENTITLED TO TICKETS for themselves on the Steamer plying to the Park, at a reduction of thirty per cent. on the regular fares.

It is proposed to lay out 150 building lots of say 50x100 ft., which will be leased for a term of 99 years, with proper regulations as to style of building and occupancy. These lots to be put up at \$100 each; shareholders to have choice in order of their subscription.

Subscribers to the extent of \$500 of stock will be entitled to a building lot free. Arrangements have been made for a supply of tents of all sizes, which will be supplied at cost, or rented at low rates to parties requiring them.

A proper system of water supply, drainage and lighting will be arranged for, and everything done in order to make this charming spot the most attractive of any picnic ground or summer resort in the vicinity of Toronto. The stock book is now open, and plans of the grounds can be seen at my office.

## Alden's RECENT BOOKS.

Illustrated Catalogue, 132 pages, may be had for 4 cents; condensed catalogue, free. **RAMBAUD'S RUSSIA.**

RAMBAUD'S ILLUSTRATED HISTORY OF RUSSIA from the Earliest Times to 1877. Translated by L. B. LANG. Complete in two large 12mo. volumes. Long Primer type, with numerous fine illustrations and maps. Fine cloth, gilt tops. Library style, \$1.75.

The cheapest edition heretofore obtainable has cost \$6.00 (less than two years ago it cost \$18.00); this new edition, which is really the BEST that has been published for popular use at any price, therefore places this magnificent work for the first time within reach of the masses.

"Rambaud's is doubtless the best history of Russia in any language. M. Rambaud is admitted to stand at the head of European authorities on his chosen subject, is familiar with the whole mass of documentary and official materials, has a large acquaintance with Russian literature, and has skillfully assimilated vast stores of information into an orderly and vigorous narrative. Russian history begins almost in myth, proceeds into a wilderness of conflicting traditions, and emerges into a clear light only in comparatively recent times. It is studded with imposing personalities and darkened by hideous crimes; striking events make it dramatic, the sufferings of a great people lend it pathos; the unrest of the present hour and the uncertain outlook for to-morrow invest it with deep interest. M. Rambaud puts the reader's mind fully in train to consider the situation of the hour. Altogether this is a work that may be read uniformly with profit and often with interest; an authority that may be consulted with confidence; filling an important place on the historical shelf."—*The Literary World, Boston.*

## CONSTIPATION.

There is no medium through which disease so often attacks the system as by Constipation, and there is no other ill flesh is heir to more apt to be neglected, from the fact material inconvenience may not be immediately felt from irregular action of the bowels. When there is not regular action the retention of decayed and effete matter, with its poisonous gases, soon poisons the whole system by being absorbed into it, causing piles, fistula, headache, impure blood, and many other serious affections. Burdock Blood Bitters will immediately relieve and one bottle positively cure or relieve any case of Constipation.

"Was troubled for a year with torpid liver and indigestion, and after trying everything imaginable used Burdock Blood Bitters. The first bottle revived me, and the second cured me entirely." —J. S. Williamson, Rochester, N. Y.
