MILBURN'S AROMATIC QUININE fortifies the system against attacks of ague, chills, bilious fever, dumb ague and like troubles.

It Makes You Hungry

"I have used Paine's Celery Compound and it has had a salutary effect. It invigorated the system and I feel like a new man. It improves the appetite and facilitates digestion." J. T. CORP- LAND, PRIMUS, S. C.

Spring medicine means more now-a-days than it did ten years ago. The winter of 1888-89 has left the nerves all sagged out. The nerves must be strengthened, the blood purified, liver and bowels regulated. Paine's Celery Compound—the Spring medicine of to-day—does all this, as nothing else can. Prescribed by Physicians, Recommended by Druggists, Endorsed by Ministers, Guaranteed by the Manufacturers to be

49/52 The Best Spring Medicine.
"In the spring of 1887 I was all run down. I would get up in the morning with so tired a feeling, and was so weak that I could hardly get around. I bought a bottle of Paine's Celery Compound, and before I had taken it a week I felt very much better. I can cheerfully recommend it to all who need a building up and strengthening medicine." Mrs. B. A. Dow, Burlington, Vt.

Paine's Celery Compound

is a unique tonic and appetizer. Pleasant to the taste, quick in its action, and without any injurious effect. It gives that rugged health which makes everything taste good. It cures dyspepsia and kindred disorders. Physicians prescribe it. \$1.00. Six for \$5.00. Druggists.

WELLS, RICHARDSON & CO., - MONTREAL.

Color anything any color. Never Fails! Always sure!

DIAMOND DYES LACATED FOOD

Fortifies babies perfectly. The Physicians' favorite.

CATARH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and nasal tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in all troubles peculiar to females. For catarrh troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of one cent in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

MEMORIAL WINDOWS
HOUSEHOLD GLASS

SALESMEN WANTED AT ONCE.
We are seeking energetic and reliable men to sell our new and improved household glass. The glass is made of the finest materials and is of a superior quality. It is suitable for use in all households and is a great improvement on the ordinary household glass. We are offering a large quantity of this glass at a low price, and we are seeking men to sell it. If you are interested, please apply to us at once.

Household Hints.

BUCKWHEAT CAKES.—Two cups buckwheat, one cup flour, two table-spoonsful baking powder, one-half teaspoonful of salt. Sift all together thoroughly. Mix with milk into a thin batter, and bake at once on a hot griddle.

AFTER a too hearty dinner, if you feel dull and heavy, try a dose of Campbell's Cathartic Compound.

FRIED TOMATOES.—Peel tomatoes and cut crosswise in large slices, salt and pepper them, dip into fine flour and then into beaten egg, fry in hot lard. Thicken a cup of boiling milk with flour, add salt and butter and pour over the tomatoes. Serve hot.

Best cure for coughs, colds, consumption is the **Vegetable Pulmonary Balm.** Cutler Bros. & Co., Boston. For \$1 a large bottle of the balm.

POTATO SALAD.—Cold boiled potatoes sliced very thin, one small onion chopped very fine; season with salt and pepper, and pour over dressing made in this proportion: To yolk of one egg stirred into a half teaspoonful of mustard and one tablespoonful of strong vinegar beat in by drops, three table-spoonsful of sweet cream and the white of one egg beaten to a froth.

W. B. LYNCH, M.D., of Auburn, N. Y., says that he has used **Wistar's Balsam of Wild Cherry** in his family for coughs and pulmonary complaints, has recommended it to others with invariably happy results, and esteems it a valuable remedy.

FROZEN ORANGES.—It requires one dozen oranges, one quart of water, one pound of sugar and juice of two lemons. Rub the rind of three oranges well into the sugar, then peel all the oranges, open the sections and take out all the pulp; add to it the sugar and lemon juice, stand aside one hour, then add the water; stir until the sugar is dissolved, then turn into the freezer and freeze. This will serve eight persons.

THE Favourite Medicine with all classes—Perry Davis' Pain-Killer.

TO BRIGHTEN OIL-CLOTHS.—In cleaning oil-cloths use no soap or scrubbing-brush, but wash off the dirt with water and flannel. Then go over with milk, and rub with a soft brush till dry, and shining.

Do Not Be Deceived.
All Baking Powders are not equally good. Imperious Clean Tartar Baking Powder is the purest and best. Sold by all grocers.

TO DRESS COLD SALMON.—Put an ounce of butter into a saucepan, sift in while stirring it as much flour as it will take, then stir in a third of pint of milk, a table-spoonful of mushroom catsup, a table-spoonful of anchovy sauce, and a little cayenne pepper; let the sauce boil up, then put in the salmon in small pieces, having removed the skin and bones, keep hot for two or three minutes and then serve.

FOR cleaning, polishing and preserving silverware, use Lowe's Polishing Fluid. For sale by all grocers.

OYSTER FRITTERS.—To a cupful of oyster liquor add a cupful of milk, three well-beaten eggs, salt and pepper to taste, and flour enough to make a thick batter. Put a large oyster in each spoonful of batter and drop it into hot lard or nice drippings. Cook till it is nicely browned and lay on paper to absorb the grease. Then serve.

Horstford's Acid Phosphate. Beware of imitations.

TO POLISH THE STOVE.—A woollen cloth is preferable to a brush for polishing the stove, as it occasions but little dirt and gives a softer gloss to the iron.

Do tell me the name of that delightful perfume you use. With pleasure. It is the "Lotus of the Nile."

CHILI SAUCE.—Twenty-four ripe tomatoes peeled and cut fine, four large onions and one small green pepper chopped fine, six cups vinegar, two cups brown sugar and three table-spoons full of salt. Boil gently one hour.

GINGER SNAPS.—One cup of white sugar, one cup of molasses, one-half cup hot water, one-half cup butter, one-half cup lard, one teaspoon ginger, one teaspoon soda. Mix well, roll thin, and bake quickly.

The best Cough Medicine we know of is Allen's Lung Balsam.

ORANGE CREAM SPONGE CAKE.—Mix, by sifting, three table-spoonsful of baking powder with one and a half cups of flour. In a separate dish beat three eggs until light, add one and a half cups of white sugar, one-half cup of hot water and the grated rind of half an orange. Beat all together and pour into the flour. Stir thoroughly and bake in layers.

Richard's Liniment cures gargets in cows.
