**A BRIDE'S CONFESSION**

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on the 10th St. We did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heavyside told mamma that I feared I would follow her. Dear George was almost dead three years ago from a wasting disease. Dear George was almost that the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step into her shoes and become Mrs. George Blauvelt.' Now just you wait and see." This spring I noticed George seemed to be almost resigned to the idea that he should never be married, and the thought that that deceitful busy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummer as to the wonderful invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just called for European business for his firm. On the 13th he returned, and I was from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

**THE DEY OF ALGIERS!**  
The SHAH OF PERSIA and the SULTANS of TURKEY and SOBOCCO now FATTEN and BEAUTIFY their hair exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.  
The Shah found his hair in a state of disorder on his return to Persia—N. Y. World, Oct. 12, 1888. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!  
ILLUSTRATIVE of the desirability of a certain amount of Phosphorus, rumour has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.
