WISE WOMEN!

Two Opinions Freely Given.

WISE women always use Diamond Dyes when the work of home dyeing begins. The majority of women know that Diamond Dyes produce the richest, strongest and most brilliant colors. Two users of Diamond Dyes freely give their opinions.

Mrs. A. Chittick, Windsor, N.S., says: "Have used Diamond Dyes for over two years and find them ahead of all others; they are the best for producing clear and lovely colors."

Mrs. James H. Coulter, Neepawa, Man., says: "I have always much pleasure in using Diamond Dyes; I think they are grand, and always make old things look like new."

HEALTH AND HOUSEHOLD HINTS

Oiled sardines carefully browned on a double-wire gridiron, and served with lemon, are appetizing.

Instead of putting food into the oven to keep hot for late comers, try covering it closely with a tin and setting it over a basin of hot water. This plan will keep the food hot and at the same time prevent it from drying.

It pays well to do the mending before the article goes into the wash, since the process to which it is there subjected, materially enlarges the holes, and it is better and more agreeable to wear if the washing follows the mending.

White Cake.—One cup heaping full of sugar, piece of butter size of an egg, rub to a cream; two thirds cup of sweet milk, two cups sifted flour, two teaspoons baking powder, whites of three eggs beaten to a stiff froth and add last.

Everyone knows, or should know, that there is no hair tonic equal to thorough brushing. A hundred strokes twice a day with a good clean brush will bring out more gloss and shimmer than can be gained by any compound from a druggist's shelf.

If a cellar has a damp smell and cannot be thoroughly ventilated, a few trays of charcoal set around on the floor, shelves and ledges will make the air pure and sweet. If a large basketful of charcoal be placed in a damp cellar where milk is kept, there will be no danger of its becoming tainted.

The right way to roll your umbrella is to take hold of the ends of the ribs and the stick with the same hand and hold them tightly enough to prevent them being twisted while you twirl the cover around with the other hand. It is twisting the ribs out of shape around the stick and fastening them there that spoils most umbrellas.

Brown Sauce for Beef.—Remove nearly all the fat from the gravy in the pan and add to it enough hot water to make the required quantity, add browned flour dry until it is thick enough, then strain it and add to each cupful of the gravy half a teaspoonful of Worcestershire sauce and one tablespoonful each of chopped pickles and capers.

Table-cloths and napkins should not be hemmed until they have first been shrunken, but before the shrinking process each one should be made into its proper length. If this is done they will always fold evenly when ironed, which is not the case if made up without shrinking, or if shrunken in the piece and then made into proper lengths.

Baked Halibut.—Take a piece of halibut weighing five or six pounds, or less, and soak in salt and water for 24 hours; wipe dry and score the outer skin; set in the baking pan in a tolerably hot oven and bake for an hour, basting often with butter and water heated together. When a fork will penetrate it easily it is done. It should be of a fine brown color. Take the gravy in the dripping pan, add a little boiling water, stir in a teaspoonful of walnut ketchup, the juice of a lemon, and thicken with brown flour; boil up once and put into a sauce boat.

For 18 Months Unable to Lie Down in Bed —A Toronto Junction Citizen's Awful Experience with Heart Disease.

L. J. Law, Toronto Junction, Ont.: "I consider it my duty to give to the public my experience with Dr. Agnew's Cure for the Heart. I have been sorely troubled with heart disease, and unable to lie down in bed for eighteen months owing to smothering spells and palpitation. Each night I would have to be propped up by pillows in order to keep from smothering. After treating with several medical men without benefit, I procured a bottle of the Heart Cure. After taking the first dose I retired, and slept soundly until morning. I used one bottle, and have not taken any of the remedy for seven weeks, but the heart trouble has not reappeared. I consider it the grandest remedy in existence for heart disease."

Light from all quarters.

SKEPTICISM ASSAILED.

Most powerful and convincing collection of facts ever produced against all foes of christianity.

By HON. BRITTON H. TABOR.

Introduction by DR. C. H. PARKURST.

who says: "That in view of the invincible array of evidence therein it would seem a thousand times harder not to believe in the Bible." All skeptics are vanquished by glaring evidence.
