## SIXTH BRIGADE RIFLE ASSOCIATION.

## ANNUAL MATCHES AT LINDSAY.

The annual matches of the sixth Brigade Rifle Association were held at the rifle range in this town on Tuesday last. The weather was very favourable for the occasion and there was a large attendance of the volunteers of the District. Among the officers present were Brigade Major Smith of the 40th Battalion, Col. Cubit, and Capt. Cottingham and Scott, of the 45th; Lieut. McNaughton, of the Coburg Battery, and several others. Col. Boulton, President of the Association and Col. Williams M. P. P., were unavoidably absent from the matches. Major Deacon and the officers of the Lindsay Company formed the local committee, and on the whole everything passed off satisfactorily. The town was enlivened by the presence of the Band of the 46th Battalion under Mr. Phillips.

The matches came to a close at dusk and afterwards a cold collation was furnished by the ladies of the town. A promenade concert took place in the Drill Shed, which was attended by a very large number of persons—the brass and string bands of the 46th regiment having performed in first rate style. During the intermission between the first and second parts of the programme. The Association prizes were awarded to the successful competitors. On the platform were Messrs. D. Brown, W. McDonald, John McClellan, A. Lacourse, and Adam Hudspeth, and the prizes were presented by Mr. S. C. Wood, M. P. P. The winners were greeted with loud applause from the hundreds of spectators present. Mr. G. S. Sterling of the St. George's Restaurant catered for the occasion in a capital style. A special train took the band to Port Hope immediately after the concert, and on the following morning the volunteers from a distance left for home—all pleased with the reception they had met with in Lindsay. We may add that it was mainly through the exertions of Major Deacon that the matches were held here this year, and he deserves every credit for his successful endeavors. The local committee feel that it would be unnecessary to insert the names of all the contributors to the Rifle Association fund—nor would space permit it—but they desire to return their warmest thanks to the people of Lindsay who helped to make the affair a success.

The following are the matches, with the names of the winners, scores, &c., from

which it will be seen the Lindsay company succeeded in obtaining a good share of the prizes:—
