FLOWERS.

BY MRS L. H. SIOURNEY

O, glorious flowers! with robes so bright,
Fair guests of Eden-blith,
In changeful characters of light,
What lines of love divine ye write
Upon the troubled earth.

Man stinn'd in Paradise, and fell-
And when the storm arose,
When thorns and brambles sowed his path
And gentle nature turn'd to wrath
Ye loqued not with his foes.

Ye sinn'd not—yet to him ye clung,
When at the guarded door,
The penal sword no terrors hung
And warn'd him with its burning tongue
To enter there no more.

With his side ye gently fared
With meek reproachless eye:
And when the angry lion roared,
A balmy breath of fragrant pour
Like pity's deay sigh.

Ye sprang amid the broken sod,
His ingrate brow to kiss,
Bloom'd in his path where'er he trod,
And told his criz'd heart of God,
And of a world of bliss.

The same blest words to us ye spak,
From field and cultured glasse,
Ye speak them to us till ye die,
Then point us to a brighter sky,
When ye no more shall fade.

THE FAR-FAMED MEDICINE

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AF-
TER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor
Holloway, by a Gentleman named Middleton, of
Scotland Road, Liverpool.

Sir—Your Pills have been the means under Providence
of restoring me to sound health after five years of severe
affliction. During the whole of that period, I suffered the
most dreadful attacks of Asthma, frequently of several
weeks' duration, attended with a violent cough, and con-
tinual spitting of phlegm intermixed with blood. This so
shook my constitution that I was unfit for any of the
active duties of life. I was attended by some of the most
eminent medical men of this town, but they failed to give
me the slightest relief. As a last remedy I tried your
Pills, and in about three months they effected a perfect
cure of the disease, totally eradicated the cough, and re-
stored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient Servant,
(Signed) H. MIDDLETON,

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER OF
MANY YEARS' STANDING.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil,
to Professor Holloway.

DEAR SIR,—In this district your Pills command a more
extensive sale than any other proprietary medicine before
the public. As a proof of their efficacy in Liver and Bil-
ious Complaints, I may mention the following case. A
lady of this town with whom I am personally acquainted,
for years was a severe sufferer from disease of the Liver
and digestive organs, her medical attendant assured her
that he could do nothing to relieve her sufferings, and
it was not likely she could survive many months. This
announcement naturally caused great alarm among her
friends and relations, and they induced her to make a trial
of your Pills, which so improved her general health that
she was induced to continue them until she received a per-
fect cure. This is twelve months ago, and she has not
experienced any symptoms of relapse, and she can declare
that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
(Signed) J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM
AFTER BEING DISCHARGED FROM THE HOS-
PITAL INCURABLE.

Copy of a Letter from W. Moon, of the Square, Win-
chester.

To Professor HOLLOWAY.

Sir,—I beg to inform you that for years I was a sufferer
from Chronic Rheumatism, and was often laid up for
weeks together by its severe and painful attacks. I tried
every thing that was recommended, and was attended by
one of the most eminent Surgeons in this town; but ob-
tained no relief whatever, and fearing that my health
would be entirely broken up I was induced to go into our
County Hospital, where I had the best medical treatment
the Institution afforded, all of which proved of no avail,
and I came out no better than when I went in. I was
then advised to try your Pills, and by persevering with
them I was perfectly cured, and enabled to resume my oc-
cupation, and although a considerable period had elapsed,
I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
(Signed) W. MOON

AN EXTRAORDINARY CURE OF DROPSY AFTER
SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goble,
dated February 14th, 1853.

To Professor HOLLOWAY.

Sir,—I have much pleasure in informing you of a most
surprising cure of Dropsy, recently effected by your valuable
medicines. CAPTAIN JACKSON, of this place, was afflicted
with Dropsy for upwards of eighteen months, to such
an extent that it caused his body and limbs to become
swollen, and water oozed as it were from his skin, so that
a daily change of apparel came necessary, notwithstanding
the various remedies tried, and the different medical
men consulted, all was of no avail, until he commenced a
ing your Pills, by which, and a strict attention to the printed
directions he was effectually cured, and his health per-
fectly re-established. If you deem this worthy of pub-
licity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. B. IGGS.
