PUBLISHERS, BOOKSELLERS and STATIONERS,
HALIFAX.

RELIABLE AND PROMPT.

Two Characteristics that Commend Scott's Emulsion to the Profession.

—there are more than two — but the fact that this preparation can be depended upon, and does its work promptly covers the whole subject.

Physicians rely upon Scott's Emulsion of Cod Liver Oil with Hypophosphites to accomplish more than can possibly be obtained from plain cod-liver oil. They find it to be pleasant to the taste, agreeable to the weak stomach and rapid of assimilation. And they know that in recommending it there is no danger of the patient possessing himself of an imperfect emulsion—Scott's Emulsion remains under all conditions, *sweet* and *wholesome*, without separation or rancidity.

FORMULA : 50% of finest Norwegian Cod Liver Oil; 6 grs. Hypophosphite of Lime; 3 grs. Hypophosphite of Soda to the fluid oz.

SAMPLE of Scott's Emulsion, delivered free to the address of any physician in regular practice.

Prepared by SCOTT & BOWNE, Chemists,
Scott & Bowne Building, New York.
