SPRING MATTRESS,

BEST IN THE WORLD,

Sent on Trial Free of Charge, and Guaranteed against Breakage
for Five Years.

THE only Chain Top Folding Spring Mattress with the Springs set on a rigid foundation, which holds them firm, and prevents the outside rows from tipping out of position; and, being set in line, the Bedding is thereby prevented from dropping at the head and foot, while the network of diagonal chains gives an even yielding support to the Springs and produces more elasticity, and is vermin proof.
