EXAMINATIONS
If properly conducted, test the proficiency of a student reasonably well. The graduates of the **Central Business College, of Toronto,** all pass a strong independent examination conducted by the **BUSINESS EDUCATORS' ASSOCIATION of Canada.** No whitewashing or granting Diplomas to incompetent candidates. Our students are properly trained to pass these examinations successfully, and business men appreciate their standing. That's why we have many more applications for capable, efficient, young men and women to fill positions than we can supply.
You may enter our College at any time. There are no vacations to interfere with your advancement.
