CANADA PRESBYTERIAN CHURCH.

Presbytery Clerks will please address all communications on business connected with the HOME MISSION COMMITTEE, to the Rev. William Cochran, Brantford, Ontario.

TORONTO MARKETS.

The quietude previously noted in bread-stuffs continues, if anything on an intensified scale. Flour.—Ordinary No. 1 superfine could have been obtained at 56, but there did not seem to be any buyers in the market; good strong flour would bring \$8 or a round lot, but we have not heard of any offering. Fancy must be extra, monthly unchanged.

Travellers' Guide.

Table with columns for Departure and Arrival times for various routes including Grand Trunk East, Grand Trunk West, Great Western Railway, and Toronto and Niagara Railway.

Special Notice.

With an exhibition of energy, whether of mind or body, there is a coincident change or waste of nervous element, and, as this element may be restored as rapidly as it is expended by the judicious use of Fellow's Compound Syrup of Hypophosphites, persons may study or otherwise work with comparative impunity while using it.

NEW YORK AND ERIE RAILWAY

We meet with a paragraph the other day which is very descriptive of the grand thoroughfare of the world, and now give it for the benefit of the Canadian public. "The railways here, that is in England, are not better than those of the English; they have deteriorated, or, in other words, have appreciated."
