

FREIGHTS.—There is no change in Grand Trunk freights. The published rates are understood to be rather a basis, though a schedule to be absolutely insisted upon in every case.

STORAGE.—A difficulty has been growing over a new tariff proposed by the Northern Elevator, and Toronto, Grey and Bruce. They have proposed that the charge shall be one cent a bushel for ten days, and one cent a bushel for the next ten days, or fractions of those periods. Produce men perceive heavy expenses in these rates, and the Corn Exchange is going to confer with the railway authorities on the subject.

FUEL.—The fuel question has righted itself by the contending parties getting down from their self-sacrificing attitude, and making prices such as would afford a margin for dealers. Anthracite is now \$6 a ton, which is also the price for coal of all sorts. Wood is \$5 a cord.

LEATHER.—Trade is good, although there is no special feature to notice. Quotations are Spanish Sole, all weights, 26c to 27c; No. 2, 23c to 24c; Slaughter Sole, heavy, 27c to 29c; light, 27c to 29c; No. 1 Spanish, middle weights, 28c to 30c; Buffalo Sole, 21c to 23c; Hemlock Harness, 28c to 33c; Oak harness, 45c to 50c; hemlock felling, 32c to 34c; upper, heavy, 32c to 36c; upper, light, 34c to 40c, according to quality; French kips 75c to 95c; English 70c to 75c; Chicago, 60c to 75c; native kips, 50c to 65c; buff, 14c to 16c; pebble, 14c to 18c; hemlock calf, 35lb to 40lb, per doz. 75c to 90c; light, 60c to 70c. French calf \$1.10 to \$1.40.

LIVE STOCK.—There has been rather an excess of beasts on the cattle market. The markets recently have been slow on account of numbers, and prices are rather off. Cattle for export range from 5c to 5½c; there are no 6c cattle, and not a large number of shipping cattle at any price. Sheep are scarce, and wanted at 5c for export. For local consumption good butchers' cattle sell at 4½c to 4¾c; second class at 4c; inferior 3c to 3½c. Lambs are in good supply, and the market keeps moderately strong. Prices are \$3.50 to \$4 for good lots, taking the good and medium together. The demand is not likely to improve. Hogs are sold at \$6 live weight. The market, altogether, does not promise to be better within any immediate time.
