TO CURE A CORN.

There is no lack of so-called cures for the common ailment known as corns. The vegetable, animal, and mineral kingdoms have been ransacked for cures. It is a simple matter to remove corns without pain, for if you will go to any druggist or medicine dealer and buy a bottle of Putnam's Painless Corn Extractor and apply it as directed the thing is done. Get "Putnam's" and no other.

There are some men who are forever throwing the blame of their failures upon their environment. Such an excuse would be very excusable for a stunted cabbage; it is quite inappropriate for a stunted man.

It is claimed that *Johnson's Anodyne Liniment* is almost infallible in the cure of diphtheria, pneumonia, influenza, bronchitis, congestion of the lungs, and hard dry coughs. This may all be true. We know it will prevent diphtheria and that it will cure the croup instantly.

It is the best gift we human beings have—the power of giving pleasure that is noble and good and right, to the world that is so hungry for pleasure that it will take the wrong sort if the right is not to be had.—A. E. A.

Horsford's Acid Phosphates.

IN HEADACHE AND MENTAL EXHAUSTION.

Dr. N. S. Read, Chandlersville, Ill., says: "I think it a remedy of the highest value in mental and nervous exhaustion, attended with sick headache, dyspepsia, diminished vitality, &c."

It is not enough to keep the poor in mind; give them something to make them keep *you* in mind.

HOW TO GAIN FLESH AND STRENGTH.

Use after each meal Scott's Emulsion; it is as palatable as milk and easily digested. Delicate people improve rapidly with its use. For Consumption, Throat affections and Bronchitis it is unequalled. Dr. Thos. Prim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month."

There is no luck, but there is such a thing as hard work and knowing how to make it answer for what others call 'luck.'

We will wager a year's subscription that a 25 cent package of *Sheridan's Cavalry Condition Powders* contains more pure ingredients and cost more money than a bushel of any kind put up in large packs. Sheridan's powders are absolutely pure.

In one Broadway store you can get a fair Shakespeare for \$2.75, or, if your purse is large enough, you can go up to the figure of \$3,500.

STILL ANOTHER.

DIPHTHERIA CURED.—I hereby certify that Minard's Liniment cured my daughter of a severe and what appeared to be a fatal attack of Diphtheria, after all other remedies failed, and recommend it to all who may be afflicted with that dreadful disease. JOHN D. BOUTLIER, French Village, Hal. Co., Jan. 1883.

Messrs. C. C. RICHARDS & Co.:
Gentlemen,—We consider Minard's Liniment the best value of any in the market, and cheerfully recommend its use.

An open mind, an open hand, and an open heart will everywhere find an open door.

The popular idea has been that the world contains seven wonders, but the eighth made his appearance at the Capitol. It was a poor benighted man limping with rheumatism who had never heard of Salvation Oil. It is sold by all druggists at twenty-five cents a bottle.

The Season for House Cleaning is nigh at hand, for which purpose there is nothing so effectual and convenient as James Pyle's Pearline.

Messrs. Brown Bros. & Co., Halifax:

GENTLEMEN,—This summer I burned my
hand very badly, so that I could not work;
by applying SIMSON'S LINIMENT I re-
ceived instant relief. It killed the pain and
prevented the burn from blistering, so that
I was able to go to work at once. I find
SIMSON'S LINIMENT the best Liniment
for family use that I have ever had in my
house.

Yours truly,
