Mercantile Summary.

THE Galt Reporter says that the Galt & Preston S. R. is doing a good freight business.

A CHARTER is sought for the Montreal Watch Case Company. The proposed capital is \$50,000.

MEN are working on the Gatineau Valley Railway between Pickanock and the Desert, a distance of twenty-seven miles. It is expected to have the road completed this fall.

AFTER many changes in the old established dry goods business of John Wall, in Chatham, the son, John Wall, Jr., took charge about two years ago, and having but little capital was obliged to lean upon his friends for assistance. No doubt they became tired of this, and after several writs had been issued against him, he assigns with \$20,000 liabilities. His nominal assets are slightly in excess of this sum.

IN Hamilton there are three or four failures to notice. Among these is D. B. Dewey, coal and wood dealer, who has assigned. The coal and wood business of Robert McKeever, in the same city, has been sold by the bailiff. The same officer is in possession of the confectionery stock of George Davis, which was advertised for sale, and of the Smart Tea Store, in that place, which has been chattel mortgaged, and is now advertised for sale.

Mercantile Summary.

THE new Ontario Bank building at Kingston will be finished, it is expected, by October 1st.

Two years ago J. T. Hutchinson purchased a general stock at Mono Road; owing to granting credit too freely he has already been obliged to assign.

A DESPATCH from London, Eng., says: Efforts are now being made in London to float two Northwest railway schemes. By the first it is proposed to run from Battleford to Lake Buffalo, and by the second a road from Calgary to Fort Churchill.

SINCE 1888 the grocery and fruit business of Mrs. J. Vandrick, at Port Elgin, has been managed by her husband, Alexander, who failed some years ago, but has since secured his discharge. Although the business was supposed to belong to his wife, we notice that the assignment has been made by him—Robert Green, dealer in hardware, Chatsworth, has been there many years, and is entitled to kind consideration for having not only improved his habits but his financial condition at the same time. However, he was unfortunate in having a loss of \$2,000 by fire four years ago. Then his creditors were good enough to write off their claims 50 per cent. Still he did not succeed, and last month he gave a chattel mortgage and now assigns.

CANADIAN SPECIALTY CO.38 Front Street East, Toronto
Dominion Agents.**Mercantile Summary.**

AN offer of 50 per cent. is made to the creditors of D. Donaldson, who has been a liquor dealer at Sarnia. Seven years ago he bought T. R. Barton's stock, but lately he has been easy going and has not held his position in the trade. He owes \$5,000 and has nominal assets of \$1,500 less. It is probable that his offer will be accepted.

IN Manitoba and the West there are several failures to notice this week. In Brandon, Monroe & Co., liquor dealers, are embarrassed. Charlotte Monroe, the sole owner, became involved in April, 1892, assigned and compromised at 50 per cent. A year later she claimed a surplus of over \$2,000 on liabilities of \$9,000. But now she again assigns.—So does J. H. Milward, painter, at Calgary, and Abraham & Son, general storekeepers at Hartney.—The sheriff is in possession of the Winnipeg wholesale liquor business of Colquhoun & Co., which is now owned by Mrs. Gertrude R. Colquhoun, wife of A. Colquhoun. He became involved in litigation a year ago, when the change took place.—The bailiff is in possession of the effects of A. B. A. Cunningham, who did a baking business at Carberry.—A mortgage sale of the general stock of W. G. West & Co. at Innisfail is advertised. Mr. G. West is sole owner, and he has been three years in business.
