

EVERY PHYSICIAN knows that all essences of meat are merely harmless stimulants. Johnston's Fluid Beef is a meat essence, according to the most approved formula, but in addition it contains the albumen and fibrine (the flesh-forming or nutritious elements of meat), and that in a form adapted to the most impaired digestion. It is prescribed by every Medical Man who has tested its merits. Sold by Chemists and Grocers. Tins, 35c., 60c. and \$1.00.
