ONTARIO LADIES' COLLEGE,

WHITBY, ONT.,

2/3 WILL RE-OPEN, SEPTEMBER 2ND, 1886.

The buildings are modelled after the aristocratic country seats of England, and are unequalled in Canada. The grounds are provided with all modern amusements that tend to promote the pleasure and health of pupils, such as a toboggan slide and skating rink for winter, and lawn tennis, croquet, etc., for the spring and autumn.

Five distinct departments of study, directed by the best professional talent, afford every desirable facility for thorough and advanced tuition.

Musical specialists, Art specialists, Elocution specialists, Commercial specialists, as well as literary and scientific specialists, should send for our new illustrated calendar, and examine for themselves the grand array of distinguished professors and teachers that direct the work of the different departments.

Favoured with a beautiful location in close proximity to the "Queen City," we are determined to make our college what some admiring patrons have called it, "The Ideal Ladies' College."

Further information or calendar cheerfully given on application to
